7 apply to internal transfers of classified employees from 1 position  
8 to another within a department.

9       (2) The state budget director may grant exceptions to this  
10 hiring freeze when the state budget director believes that the  
11 hiring freeze will result in rendering a state department or agency  
12 unable to deliver basic services, causes loss of revenue to the  
13 state, would result in the inability of the state to receive  
14 federal funds, or would necessitate additional expenditures that  
15 exceed any savings from maintaining a vacancy. The state budget  
16 director shall report by the thirtieth of each month to the

1 for the purchase of foreign goods or services, or both, if  
2 competitively priced and of comparable quality American goods or  
3 services, or both, are available.

4 (2) In addition to the requirements in subsection (1), the  
5 purchase of goods or services, or both, if competitively priced and

7 if available. The department shall also encourage the use of  
8 Michigan produced agricultural products by all state agencies and  
9 departments if competitively priced and of comparable quality and  
10 if available.

11 Sec. 210. The director of each department receiving  
12 appropriations in part 1 shall take all reasonable steps to ensure  
13 businesses in deprived and depressed communities compete for and  
14 perform contracts to provide services or supplies, or both. Each  
15 director shall strongly encourage firms with which the department  
16 contracts to subcontract with certified businesses in depressed and  
17 deprived communities for services, supplies, or both.

19 department may provide for indemnity as provided for pursuant to  
20 the animal industry act of 1987, 1988 PA 466, MCL 287.701 to

23 provides for an indemnification under this section, the department  
24 shall report the reason for the indemnification, the amount of the  
25 indemnification, and to whom the indemnification is to be paid. The

4 killed by a wolf, coyote, or cougar, if the kill is verified by the  
5 department of natural resources. The fair market value of the  
6 livestock shall be determined pursuant to the indemnification  
7 procedures prescribed in the animal industry act, 1988 PA 466, MCL  
8 287.701 to 287.745. In addition to the funds appropriated in part  
9 1, the department of agriculture is authorized to expend the funds  
10 received from the department of natural resources to reimburse the  
11 department of agriculture for all indemnification payments made  
12 pursuant to this subsection.

13 Sec. 214. Of the funds appropriated in part 1 that are other  
14 than line-item grants, the department shall not provide grants to  
15 local government agencies, institutions of higher education, or

25 of an interagency agreement between the department and the  
26 department of information technology.

27 Sec. 220. Amounts appropriated in part 1 for information

1 technology may be designated as work projects and carried forward  
2 to support technology projects under the direction of the  
3 department of information technology. Funds designated in this  
4 manner are not available for expenditure until approved as work  
5 projects under section 451a of the management and budget act, 1984  
6 PA 431, MCL 18.1451a.

7 Sec. 223. (1) Due to the current budgetary problems in this  
8 state, out-of-state travel for the fiscal year ending September 30,  
9 2007 shall be limited to situations in which 1 or more of the

24 Sec. 406. (1) The funds appropriated in part 1 for the state  
25 disability assistance substance abuse services program shall be  
26 used to support per diem room and board payments in substance abuse  
27 residential facilities. Eligibility of clients for the state

1 disability assistance substance abuse services program shall  
2 include needy persons 18 years of age or older, or emancipated  
3 minors, who reside in a substance abuse treatment center.

4 (2) The department shall reimburse all licensed substance  
5 abuse programs eligible to participate in the program at a rate  
6 equivalent to that paid by the department of human services to  
7 adult foster care providers. Programs accredited by department-  
8 approved accrediting organizations shall be reimbursed at the  
9 personal care rate, while all other eligible programs shall be  
10 reimbursed at the domiciliary care rate.

11 Sec. 407. (1) The amount appropriated in part 1 for substance  
12 abuse prevention, education, and treatment grants shall be expended  
13 for contracting with coordinating agencies. Coordinating agencies  
14 shall work with the CMHSPs or specialty prepaid health plans to  
15 coordinate the care and services provided to individuals with both  
16 mental illness and substance abuse diagnoses.

17 (2) The department shall approve a fee schedule for providing  
18 substance abuse services and charge participants in accordance with  
19 their ability to pay.

20 Sec. 408. (1) By April 15, 2007, the department shall report  
21 the following data from fiscal year 2005-2006 on substance abuse  
22 prevention, education, and treatment programs to the senate and  
23 house of representatives appropriations subcommittees on community  
24 health, the senate and house fiscal agencies, and the state budget  
25 office:

26 (a) Expenditures stratified by coordinating agency, by central  
27 diagnosis and referral agency, by fund source, by subcontractor, by

1 population served, and by service type. Additionally, data on  
2 administrative expenditures by coordinating agency and by  
3 subcontractor shall be reported.

4 (b) Expenditures per state client, with data on the  
5 distribution of expenditures reported using a histogram approach.

6 (c) Number of services provided by central diagnosis and  
7 referral agency, by subcontractor, and by service type.  
8 Additionally, data on length of stay, referral source, and  
9 participation in other state programs.

10 (d) Collections from other first- or third-party payers,  
11 private donations, or other state or local programs, by  
12 coordinating agency, by subcontractor, by population served, and by  
13 service type.

14 (2) The department shall take all reasonable actions to ensure  
15 that the required data reported are complete and consistent among  
16 all coordinating agencies.

17 Sec. 409. The funding in part 1 for substance abuse services  
18 shall be distributed in a manner that provides priority to service  
19 providers that furnish child care services to clients with  
20 children.

21 Sec. 410. The department shall assure that substance abuse  
22 treatment is provided to applicants and recipients of public  
23 assistance through the department of human services who are  
24 required to obtain substance abuse treatment as a condition of  
25 eligibility for public assistance.

26 Sec. 411. (1) The department shall ensure that each contract  
27 with a CMHSP or specialty prepaid health plan requires the CMHSP or

1 specialty prepaid health plan to implement programs to encourage  
2 diversion of persons with serious mental illness, serious emotional  
3 disturbance, or developmental disability from possible jail  
4 incarceration when appropriate.

5 (2) Each CMHSP or specialty prepaid health plan shall have  
6 jail diversion services and shall work toward establishing working  
7 relationships with representative staff of local law enforcement  
8 agencies, including county prosecutors' offices, county sheriffs'  
9 offices, county jails, municipal police agencies, municipal  
10 detention facilities, and the courts. Written interagency  
11 agreements describing what services each participating agency is  
12 prepared to commit to the local jail diversion effort and the  
13 procedures to be used by local law enforcement agencies to access  
14 mental health jail diversion services are strongly encouraged.

15 Sec. 412. The department shall contract directly with the  
16 Salvation Army harbor light program to provide non-Medicaid  
17 substance abuse services at not less than the amount contracted for  
18 in fiscal year 2004-2005.

19 Sec. 414. Medicaid substance abuse treatment services shall be  
20 managed by selected CMHSPs or specialty prepaid health plans  
21 pursuant to the centers for Medicare and Medicaid services'  
22 approval of Michigan's 1915(b) waiver request to implement a  
23 managed care plan for specialized substance abuse services. The  
24 selected CMHSPs or specialty prepaid health plans shall receive a  
25 capitated payment on a per eligible per month basis to assure  
26 provision of medically necessary substance abuse services to all  
27 beneficiaries who require those services. The selected CMHSPs or

1 specialty prepaid health plans shall be responsible for the  
2 reimbursement of claims for specialized substance abuse services.  
3 The CMHSPs or specialty prepaid health plans that are not  
4 coordinating agencies may continue to contract with a coordinating  
5 agency. Any alternative arrangement must be based on client service  
6 needs and have prior approval from the department.

7       Sec. 418. On or before the tenth of each month, the department  
8 shall report to the senate and house of representatives  
9 appropriations subcommittees on community health, the senate and  
10 house fiscal agencies, and the state budget director on the amount  
11 of funding paid to the CMHSPs or specialty prepaid health plans to  
12 support the Medicaid managed mental health care program in that  
13 month. The information shall include the total paid to each CMHSP  
14 or specialty prepaid health plan, per capita rate paid for each  
15 eligibility group for each CMHSP or specialty prepaid health plan,  
16 and number of cases in each eligibility group for each CMHSP or  
17 specialty prepaid health plan, and year-to-date summary of  
18 eligibles and expenditures for the Medicaid managed mental health  
19 care program.

20       Sec. 423. (1) The department shall work cooperatively with the  
21 departments of human services, corrections, education, state  
22 police, and military and veterans affairs to coordinate and improve  
23 the delivery of substance abuse prevention, education, and  
24 treatment programs within existing appropriations.

25       (2) The department shall establish a work group composed of  
26 representatives of the department, the departments of human  
27 services, corrections, education, state police, and military and

1 veterans affairs, coordinating agencies, CMHSPs, and any other  
2 persons considered appropriate to examine and review the source and  
3 expenditure of funds for substance abuse programs and services. The  
4 work group shall develop and recommend cost-effective measures for  
5 the expenditure of funds and delivery of substance abuse programs  
6 and services. The department shall submit the findings of the work  
7 group to the house of representatives and senate appropriations  
8 subcommittees on community health, the house and senate fiscal  
9 agencies, and the state budget director by May 31, 2007.

10 Sec. 424. Each community mental health services program or  
11 specialty prepaid health plan that contracts with the department to  
12 provide services to the Medicaid population shall adhere to the  
13 following timely claims processing and payment procedure for claims  
14 submitted by health professionals and facilities:

15 (a) A "clean claim" as described in section 111i of the social  
16 welfare act, 1939 PA 280, MCL 400.111i, must be paid within 45 days  
17 after receipt of the claim by the community mental health services  
18 program or specialty prepaid health plan. A clean claim that is not  
19 paid within this time frame shall bear simple interest at a rate of  
20 12% per annum.

21 (b) A community mental health services program or specialty  
22 prepaid health plan must state in writing to the health  
23 professional or facility any defect in the claim within 30 days  
24 after receipt of the claim.

25 (c) A health professional and a health facility have 30 days  
26 after receipt of a notice that a claim or a portion of a claim is  
27 defective within which to correct the defect. The community mental

1 health services program or specialty prepaid health plan shall pay  
2 the claim within 30 days after the defect is corrected.

3 Sec. 425. By April 1, 2007, the department, in conjunction  
4 with the department of corrections, shall report the following data  
5 from fiscal year 2005-2006 on mental health and substance abuse  
6 services to the house of representatives and senate appropriations  
7 subcommittees on community health and corrections, the house and  
8 senate fiscal agencies, and the state budget office:

9 (a) The number of prisoners receiving substance abuse  
10 services, which shall include a description and breakdown of the  
11 type of substance abuse services provided to prisoners.

12 (b) The number of prisoners with a primary diagnosis of mental  
13 illness and the number of such prisoners receiving mental health  
14 services, which shall include a description and breakdown,  
15 minimally encompassing the categories of inpatient, residential,  
16 and outpatient care, of the type of mental health services provided  
17 to those prisoners.

18 (c) The number of prisoners with a primary diagnosis of mental  
19 illness and receiving substance abuse services, which shall include  
20 a description and breakdown, minimally encompassing the categories  
21 of inpatient, residential, and outpatient care, of the type of  
22 treatment provided to those prisoners.

23 (d) Data indicating if prisoners receiving mental health  
24 services for a primary diagnosis of mental illness were previously  
25 hospitalized in a state psychiatric hospital for persons with  
26 mental illness.

27 (e) Data indicating if prisoners with a primary diagnosis of

1 mental illness and receiving substance abuse services were  
2 previously hospitalized in a state psychiatric hospital for persons  
3 with mental illness.

4       Sec. 428. (1) Each CMHSP and affiliation of CMHSPs shall  
5 provide, from internal resources, local funds to be used as a bona  
6 fide part of the state match required under the Medicaid program in  
7 order to increase capitation rates for CMHSPs and affiliations of  
8 CMHSPs. These funds shall not include either state funds received  
9 by a CMHSP for services provided to non-Medicaid recipients or the  
10 state matching portion of the Medicaid capitation payments made to  
11 a CMHSP or an affiliation of CMHSPs.

12       (2) The distribution of the aforementioned increases in the  
13 capitation payment rates, if any, shall be based on a formula  
14 developed by a committee established by the department, including  
15 representatives from CMHSPs or affiliations of CMHSPs and  
16 department staff.

17       Sec. 435. A county required under the provisions of the mental  
18 health code, 1974 PA 258, MCL 330.1001 to 330.2106, to provide  
19 matching funds to a CMHSP for mental health services rendered to  
20 residents in its jurisdiction shall pay the matching funds in equal  
21 installments on not less than a quarterly basis throughout the  
22 fiscal year, with the first payment being made by October 1, 2006.

23       Sec. 442. (1) It is the intent of the legislature that the  
24 \$40,000,000.00 in funding transferred from the community mental  
25 health non-Medicaid services line to support the Medicaid adult  
26 benefits waiver program be used to provide state match for  
27 increases in federal funding for primary care and specialty

1 services provided to Medicaid adult benefits waiver enrollees and  
2 for economic increases for the Medicaid specialty services and  
3 supports program.

4 (2) The department shall assure that persons enrolled in the  
5 Medicaid adult benefits waiver program shall receive mental health  
6 services under the priority population sections of the mental  
7 health code, 1974 PA 258, MCL 330.1001 to 330.2106.

8 (3) Capitation payments to CMHSPs or specialty prepaid health  
9 plans for persons who become enrolled in the Medicaid adult  
10 benefits waiver program shall be made using the same rate  
11 methodology as payments for the current Medicaid beneficiaries.

12 (4) If enrollment in the Medicaid adult benefits waiver  
13 program does not achieve expectations and the funding appropriated  
14 for the Medicaid adult benefits waiver program for specialty  
15 services is not expended, the general fund balance shall be  
16 transferred back to the community mental health non-Medicaid  
17 services line. The department shall report quarterly to the senate  
18 and house of representatives appropriations subcommittees on  
19 community health a summary of eligible expenditures for the  
20 Medicaid adult benefits waiver program by CMHSPs or specialty  
21 prepaid health plans.

22 Sec. 450. (1) No later than October 1, 2006, the department  
23 shall implement the recommendations of the work group composed of  
24 CMHSPs or specialty prepaid health plans and departmental staff on  
25 streamlining the audit and reporting requirements for CMHSPs or  
26 specialty prepaid health plans and contractors performing services  
27 for CMHSPs or specialty prepaid health plans.

1 (2) No later than March 31, 2007, the department shall submit  
2 a report to the house of representatives and senate appropriations  
3 subcommittees on community health, the house and senate fiscal  
4 agencies, and the state budget office on steps taken to implement  
5 the recommendations of the work group and the progress of the  
6 implementation of the recommendations of the work group.

7 Sec. 452. Unless otherwise authorized by law, the department  
8 shall not implement retroactively any policy that would lead to a  
9 negative financial impact on community mental health services  
10 programs or prepaid inpatient health plans.

11 Sec. 456. CMHSPs and prepaid inpatient health plans shall  
12 honor consumer choice to the fullest extent possible when providing  
13 services and support programs for individuals with mental illness,  
14 developmental disabilities, or substance abuse issues. Consumer  
15 choices shall include skill building assistance, rehabilitative and  
16 habilitative services, supported and integrated employment services  
17 program settings, and other work preparatory services provided in  
18 the community or by accredited community based rehabilitation  
19 organizations. CMHSPs and prepaid inpatient health plans shall not  
20 arbitrarily eliminate or restrict any choices from the array of  
21 services and program settings available to consumers without  
22 reasonable justification that those services are not in the  
23 consumer's best interest.

24 Sec. 458. By April 15, 2007, the department shall provide each  
25 of the following to the house of representatives and senate  
26 appropriations subcommittees on community health, the house and  
27 senate fiscal agencies, and the state budget director:

1 (a) An updated plan for implementing recommendations of the  
2 Michigan mental health commission made in the commission's report  
3 dated October 15, 2004.

4 (b) A report that evaluates the cost-benefit of establishing  
5 secure residential facilities of fewer than 17 beds for adults with  
6 serious mental illness, modeled after such programming in Oregon or  
7 other states.

8 (c) In conjunction with the state court administrator's  
9 office, a report that evaluates the cost-benefit of establishing a  
10 specialized mental health court program that diverts adults with  
11 serious mental illness alleged to have committed an offense deemed  
12 nonserious into treatment prior to the filing of any charges.

13 Sec. 459. (1) Any CMHSP located in a county with a population  
14 of more than 1,500,000 that is not a community mental health  
15 authority pursuant to section 205 of the mental health code, 1974  
16 PA 258, MCL 330.1205, by September 1, 2006 shall have its fiscal  
17 year 2006-2007 community mental health non-Medicaid services  
18 allotment reduced by \$50,000,000.00 from its fiscal year 2005-2006  
19 allotment.

20 (2) If a CMHSP as described in subsection (1) does not become  
21 an authority by September 1, 2007, it is the intent of the  
22 legislature to pursue alternative means for its administration,  
23 including, but not limited to, behavioral health managed care  
24 organizations.

25 Sec. 460. (1) The uniform definitions, standards, and  
26 instructions for the classification, allocation, assignment,  
27 calculation, recording, and reporting of administrative costs by

1 prepaid inpatient health plans (PIHPs), CMHSPs, and contracted  
2 organized provider systems that receive payment or reimbursement  
3 from funds appropriated under section 104 of part 1 that are  
4 established by the department shall go into effect on October 1,  
5 2006 and shall be fully implemented by September 30, 2007.

6 (2) No later than October 30, 2006, the department shall  
7 provide a copy of the uniform definitions, standards, and  
8 instructions to the house of representatives and senate  
9 appropriations subcommittees on community health, the house of  
10 representatives and senate fiscal agencies, and the state budget  
11 director.

12 (3) The department shall provide the house of representatives  
13 and senate appropriations subcommittees on community health, the  
14 house of representatives and senate fiscal agencies, and the state  
15 budget director with 2 separate progress reports on the  
16 implementation required under subsection (1). The progress reports  
17 are due on April 1, 2007 and July 1, 2007.

18 Sec. 462. The department shall establish a work group  
19 comprised of representatives of the department, CMHSPs,  
20 legislature, and any other persons considered appropriate to  
21 develop a plan to achieve funding equity for all CMHSPs that  
22 receive funds appropriated under the community mental health non-  
23 Medicaid services line. The funding equity plan shall establish, at  
24 a minimum, a payment schedule or scale to ensure that each CMHSP is  
25 paid or reimbursed equally based on the recipient's diagnosis or  
26 individual plan of service sufficient to meet his or her needs, or  
27 both. The department shall submit the written plan to the house of

1 representatives and senate appropriations subcommittees on  
2 community health, the house and senate fiscal agencies, and the  
3 state budget director by May 31, 2007.

4       Sec. 463. The department shall establish standard program  
5 evaluation measures to assess the overall effectiveness of programs  
6 provided through coordinating agencies and service providers in  
7 reducing and preventing the incidence of substance abuse. The  
8 measures established by the department shall be modeled after the  
9 program outcome measures and best practice guidelines for the  
10 treatment of substance abuse as proposed by the federal substance  
11 abuse and mental health services administration.

12       Sec. 464. It is the intent of the legislature that revenue  
13 received by the department from liquor license fees be expended  
14 exclusively to fund programs for the prevention, rehabilitation,  
15 care, and treatment of alcoholics pursuant to sections 543(1) and  
16 1115(2) of the Michigan liquor control code of 1998, 1998 PA 58,  
17 MCL 436.1543 and 436.2115.

18       Sec. 465. Funds appropriated in part 1 for respite services  
19 shall be used for direct respite care services for children with  
20 serious emotional disturbances and their families. Not more than 1%  
21 of the funds allocated for respite services shall be expended by  
22 CMHSPs for administration and administrative purposes.

23       Sec. 468. To foster a more efficient administration of and to  
24 integrate care in publicly funded mental health and substance abuse  
25 services, the department shall recommend changes in its criteria  
26 for the incorporation of a city, county, or regional substance  
27 abuse coordinating agency into a local community mental health

1 authority that will encourage those city, county, or regional  
2 coordinating agencies to incorporate as local community mental  
3 health authorities. If necessary, the department may make  
4 accommodations or adjustments in formula distribution to address  
5 administrative costs related to the changes to the criteria made in  
6 accordance with this section and to the incorporation of the  
7 additional coordinating agencies into local community mental health  
8 authorities.

9       Sec. 469. (1) No later than October 31, 2006, the department  
10 shall implement a funding distribution model for coordinating  
11 agencies based on findings by the former federal substance abuse  
12 block grant work group. The funding distribution model shall  
13 replace the current allocation formula of public funds for  
14 substance abuse services.

15       (2) No later than September 30, 2007, the department shall  
16 submit a preliminary report to the house of representatives and  
17 senate appropriations subcommittees on community health, the house  
18 of representatives and senate fiscal agencies, and the state budget  
19 office that includes, at the minimum, the following information on  
20 implementation of the new funding distribution model for  
21 coordinating agencies:

22       (a) Impact of the new allocation formula on operations of  
23 coordinating agencies such as local cost and service demand and  
24 provider network viability.

25       (b) Impact on other funding sources and providers of substance  
26 abuse services.

27       (c) Any adverse consequences resulting from the new model.

1       Sec. 470. (1) The department shall establish written  
2 expectations for community mental health services programs, prepaid  
3 inpatient health plans, and substance abuse coordinating agencies  
4 and counties with respect to the integration of mental health and  
5 substance abuse services. At a minimum, the written expectations  
6 shall provide for the integration of those services as follows:

7       (a) Coordination and consolidation of administrative functions  
8 and redirection of efficiencies into service enhancements.

9       (b) Consolidation of points of 24-hour access for mental  
10 health and substance abuse services in every community.

11       (c) Alignment of coordinating agencies and prepaid inpatient  
12 health plans boundaries to maximize opportunities for collaboration  
13 and integration of administrative functions and clinical  
14 activities.

15       (2) By May 1, 2007, the department shall report to the house  
16 of representatives and senate appropriations subcommittees on  
17 community health, the house of representatives and senate fiscal  
18 agencies, and the state budget office on the impact and  
19 effectiveness of this section and the status of the integration of  
20 mental health and substance abuse services.

21       Sec. 471. From the funds appropriated in part 1 for  
22 coordinating agencies and the Salvation Army harbor light program,  
23 administrative costs for these agencies as a percentage of their  
24 total expenditures shall not exceed their percentage in fiscal year  
25 2004-2005 or 9%, whichever is less.

26       Sec. 472. Any general fund/general purpose funds lapsed by  
27 CMHSPs shall be retained in the community health budget to improve

1 mental health and substance abuse services. If any general  
2 fund/general purpose funds appropriated to draw down the federal  
3 Medicaid funds under the Medicaid mental health services line  
4 remain, those funds shall be retained in the community health  
5 budget to serve individuals not eligible for the Medicaid program.  
6 If Medicaid funding is lapsed by prepaid inpatient health plans,  
7 the general fund/general purpose share shall be retained in the  
8 community health budget to serve individuals not eligible for the  
9 Medicaid program.

10 Sec. 474. The department shall ensure that each contract with  
11 a CMHSP or prepaid inpatient health plan requires the CMHSP or  
12 prepaid inpatient health plan to provide each recipient and his or  
13 her family with information regarding the different types of  
14 guardianship and the alternatives to guardianship. A CMHSP or  
15 prepaid inpatient health plan shall not, in any manner, attempt to  
16 reduce or restrict the ability of a recipient or his or her family  
17 from seeking to obtain any form of legal guardianship.

18 **STATE PSYCHIATRIC HOSPITALS, CENTERS FOR PERSONS WITH DEVELOPMENTAL**  
19 **DISABILITIES, AND FORENSIC AND PRISON MENTAL HEALTH SERVICES**

20 Sec. 601. (1) In funding of staff in the financial support  
21 division, reimbursement, and billing and collection sections,  
22 priority shall be given to obtaining third-party payments for  
23 services. Collection from individual recipients of services and  
24 their families shall be handled in a sensitive and nonharassing  
25 manner.

26 (2) The department shall continue a revenue recapture project

1 to generate additional revenues from third parties related to cases  
2 that have been closed or are inactive. Revenues collected through  
3 project efforts are appropriated to the department for departmental  
4 costs and contractual fees associated with these retroactive  
5 collections and to improve ongoing departmental reimbursement  
6 management functions.

7       Sec. 602. Unexpended and unencumbered amounts and accompanying  
8 expenditure authorizations up to \$1,000,000.00 remaining on  
9 September 30, 2007 from the amounts appropriated in part 1 for  
10 gifts and bequests for patient living and treatment environments  
11 shall be carried forward for 1 fiscal year. The purpose of gifts  
12 and bequests for patient living and treatment environments is to  
13 use additional private funds to provide specific enhancements for  
14 individuals residing at state-operated facilities. Use of the gifts  
15 and bequests shall be consistent with the stipulation of the donor.  
16 The expected completion date for the use of gifts and bequests  
17 donations is within 3 years unless otherwise stipulated by the  
18 donor.

19       Sec. 603. The funds appropriated in part 1 for forensic mental  
20 health services provided to the department of corrections are in  
21 accordance with the interdepartmental plan developed in cooperation  
22 with the department of corrections. The department is authorized to  
23 receive and expend funds from the department of corrections in  
24 addition to the appropriations in part 1 to fulfill the obligations  
25 outlined in the interdepartmental agreements.

26       Sec. 604. (1) The CMHSPs or specialty prepaid health plans  
27 shall provide annual reports to the department on the following

1 information:

2 (a) The number of days of care purchased from state hospitals  
3 and centers.

4 (b) The number of days of care purchased from private  
5 hospitals in lieu of purchasing days of care from state hospitals  
6 and centers.

7 (c) The number and type of alternative placements to state  
8 hospitals and centers other than private hospitals.

9 (d) Waiting lists for placements in state hospitals and  
10 centers.

11 (2) The department shall annually report the information in  
12 subsection (1) to the house of representatives and senate  
13 appropriations subcommittees on community health, the house and  
14 senate fiscal agencies, and the state budget director.

15 Sec. 605. (1) The department shall not implement any closures  
16 or consolidations of state hospitals, centers, or agencies until  
17 CMHSPs or specialty prepaid health plans have programs and services  
18 in place for those persons currently in those facilities and a plan  
19 for service provision for those persons who would have been  
20 admitted to those facilities.

21 (2) All closures or consolidations are dependent upon adequate  
22 department-approved CMHSP plans that include a discharge and  
23 aftercare plan for each person currently in the facility. A  
24 discharge and aftercare plan shall address the person's housing  
25 needs. A homeless shelter or similar temporary shelter arrangements  
26 are inadequate to meet the person's housing needs.

 7 aging designation. The office of services to the aging may work  
 8 with others to provide training to commissions to better understand

 12 services to the aging. This section is conditioned on compliance  
 13 with federal and state laws, rules, and policies.

14       Sec. 1416. The legislature affirms the commitment to provide  
 15 in-home services, resources, and assistance for the frail elderly  
 16 who are not being served by the Medicaid home- and community-based

13 of licensed adult foster care homes and licensed homes for the aged  
14 shall be used in determining financial eligibility for the  
15 medically needy. Remedial services include basic self-care and  
16 rehabilitation training for a resident.

17 Sec. 1602. Medical services shall be provided to elderly and  
18 disabled persons with incomes less than or equal to 100% of the

1 in part 1.

2 (3) The premiums described in this section shall be classified  
3 as private funds.

4 Sec. 1604. If an applicant for Medicaid coverage is found to  
5 be eligible, the department shall provide payment for all of the  
6 Medicaid covered and appropriately authorized services that have  
7 been provided to that applicant since the first day of the month in  
8 which the applicant filed and the department of human services  
9 received the application for Medicaid coverage. Receipt of the  
10 application by a local department of human services office is  
11 considered the date the application is received. If an application  
12 is submitted on the last day of the month and that day falls on a  
13 weekend or a holiday and the application is received by the local  
14 department of human services office on the first business day  
15 following the end of the month, then receipt of the application is  
16 considered to have been on the last day of the previous month. As  
17 used in this section, "completed application" means an application  
18 complete on its face and signed by the applicant regardless of  
19 whether the medical documentation required to make an eligibility

26 representatives appropriations subcommittees on community health  
27 and the state budget director of any proposed revisions to the

1 protected income level for Medicaid coverage related to the public  
2 assistance standard 90 days prior to implementation.

3 Sec. 1606. For the purpose of guardian and conservator  
4 charges, the department of community health may deduct up to \$45.00  
5 per month as an allowable expense against a recipient's income when  
6 determining medical services eligibility and patient pay amounts.

7 Sec. 1607. (1) An applicant for Medicaid, whose qualifying  
8 condition is pregnancy, shall immediately be presumed to be  
9 eligible for Medicaid coverage unless the preponderance of evidence  
10 in her application indicates otherwise. The applicant who is  
11 qualified as described in this subsection shall be allowed to  
12 select or remain with the Medicaid participating obstetrician of  
13 her choice.

14 (2) An applicant qualified as described in subsection (1)  
15 shall be given a letter of authorization to receive Medicaid  
16 covered services related to her pregnancy. All qualifying  
17 applicants shall be entitled to receive all medically necessary  
18 obstetrical and prenatal care without preauthorization from a  
19 health plan. All claims submitted for payment for obstetrical and  
20 prenatal care shall be paid at the Medicaid fee-for-service rate in  
21 the event a contract does not exist between the Medicaid  
22 participating obstetrical or prenatal care provider and the managed  
23 care plan. The applicant shall receive a listing of Medicaid  
24 physicians and managed care plans in the immediate vicinity of the  
25 applicant's residence.

26 (3) In the event that an applicant, presumed to be eligible  
27 pursuant to subsection (1), is subsequently found to be ineligible,

1 a Medicaid physician or managed care plan that has been providing  
2 pregnancy services to an applicant under this section is entitled  
3 to reimbursement for those services until such time as they are  
4 notified by the department that the applicant was found to be  
5 ineligible for Medicaid.

6 (4) If the preponderance of evidence in an application  
7 indicates that the applicant is not eligible for Medicaid, the  
8 department shall refer that applicant to the nearest public health  
9 clinic or similar entity as a potential source for receiving  
10 pregnancy-related services.

11 (5) The department shall develop an enrollment process for  
12 pregnant women covered under this section that facilitates the  
13 selection of a managed care plan at the time of application.

14 Sec. 1610. The department of community health shall provide an  
15 administrative procedure for the review of cost report grievances  
16 by medical services providers with regard to reimbursement under  
17 the medical services program. Settlements of properly submitted  
18 cost reports shall be paid not later than 9 months from receipt of  
19 the final report.

20 Sec. 1611. (1) For care provided to medical services  
21 recipients with other third-party sources of payment, medical  
22 services reimbursement shall not exceed, in combination with such  
23 other resources, including Medicare, those amounts established for  
24 medical services-only patients. The medical services payment rate  
25 shall be accepted as payment in full. Other than an approved  
26 medical services copayment, no portion of a provider's charge shall  
27 be billed to the recipient or any person acting on behalf of the

1 recipient. Nothing in this section shall be considered to affect  
2 the level of payment from a third-party source other than the  
3 medical services program. The department shall require a  
4 nonenrolled provider to accept medical services payments as payment  
5 in full.

6 (2) Notwithstanding subsection (1), medical services  
7 reimbursement for hospital services provided to dual  
8 Medicare/medical services recipients with Medicare part B coverage  
9 only shall equal, when combined with payments for Medicare and  
10 other third-party resources, if any, those amounts established for  
11 medical services-only patients, including capital payments.

12 Sec. 1615. Unless prohibited by federal or state law or  
13 regulation, the department shall require enrolled Medicaid  
14 providers to submit their billings for services electronically.

15 Sec. 1620. (1) For fee-for-service recipients who do not  
16 reside in nursing homes, the pharmaceutical dispensing fee shall be  
17 \$2.50 or the pharmacy's usual or customary cash charge, whichever  
18 is less. For nursing home residents, the pharmaceutical dispensing  
19 fee shall be \$2.75 or the pharmacy's usual or customary cash  
20 charge, whichever is less.

21 (2) The department shall require a prescription copayment for  
22 Medicaid recipients of \$1.00 for a generic drug and \$3.00 for a  
23 brand-name drug, except as prohibited by federal or state law or  
24 regulation.

25 (3) For fee-for-service recipients, an optional mail order  
26 pharmacy program shall be available.

27 Sec. 1621. (1) The department may implement prospective drug

1 utilization review and disease management systems. The prospective  
2 drug utilization review and disease management systems authorized

5 developed in consultation with the national pharmaceutical council,  
6 Michigan state medical society, Michigan association of osteopathic  
7 physicians, Michigan pharmacists association, Michigan health and  
8 hospital association, and Michigan nurses' association.

9 (2) This section does not authorize or allow therapeutic  
10 substitution.

11 Sec. 1621a. (1) The department, in conjunction with  
12 pharmaceutical manufacturers or their agents, may establish pilot  
13 projects to test the efficacy of disease management and health  
14 management programs.

15 (2) The department may negotiate a plan that uses the savings  
16 resulting from the services rendered from these programs, in lieu  
17 of requiring a supplemental rebate for the inclusion of those  
18 participating parties' products on the department's preferred drug  
19 list.

20 Sec. 1623. (1) The department shall continue the Medicaid  
21 policy that allows for the dispensing of a 100-day supply for  
22 maintenance drugs.

23 (2) The department shall notify all HMOs, physicians,  
24 pharmacies, and other medical providers that are enrolled in the  
25 Medicaid program that Medicaid policy allows for the dispensing of  
26 a 100-day supply for maintenance drugs.

27 (3) The notice in subsection (2) shall also clarify that a

21 utilization restrictions on chiropractic services unless a  
22 recipient has exceeded 18 office visits within 1 year.

23 (2) The department may implement the bulk purchase of hearing  
24 aids, impose limitations on binaural hearing aid benefits, and  
25 limit the replacement of hearing aids to once every 3 years.

7 reported and their resolution shall be provided to the house of  
8 representatives and senate appropriations subcommittees on  
9 community health, the house and senate fiscal agencies, and the  
10 state budget office.

11           Sec. 1657. (1) Reimbursement for medical services to screen  
12 and stabilize a Medicaid recipient, including stabilization of a  
13 psychiatric crisis, in a hospital emergency room shall not be made  
14 contingent on obtaining prior authorization from the recipient's  
15 HMO. If the recipient is discharged from the emergency room, the  
16 hospital shall notify the recipient's HMO within 24 hours of the  
17 diagnosis and treatment received.

18           (2) If the treating hospital determines that the recipient  
19 will require further medical service or hospitalization beyond the  
20 point of stabilization, that hospital must receive authorization  
21 from the recipient's HMO prior to admitting the recipient.

22           (3) Subsections (1) and (2) shall not be construed as a  
23 requirement to alter an existing agreement between an HMO and their  
24 contracting hospitals nor as a requirement that an HMO must  
25 reimburse for services that are not considered to be medically  
26 necessary.

27           (4) Prior to contracting with an HMO for managed care services

1 that did not have a contract with the department before October 1,  
2 2002, the department shall receive assurances from the office of  
3 financial and insurance services that the HMO meets the net worth  
4 and financial solvency requirements contained in chapter 35 of the  
5 insurance code of 1956, 1956 PA 218, MCL 500.3501 to 500.3580.

6 Sec. 1658. (1) HMOs shall have contracts with hospitals within  
7 a reasonable distance from their enrollees. If a hospital does not  
8 contract with the HMO, in its service area, that hospital shall  
9 enter into a hospital access agreement as specified in the MSA  
10 bulletin Hospital 01-19.

11 (2) A hospital access agreement specified in subsection (1)  
12 shall be considered an affiliated provider contract pursuant to the  
13 requirements contained in chapter 35 of the insurance code of 1956,  
14 1956 PA 218, MCL 500.3501 to 500.3580.

15 Sec. 1659. The following sections of this article are the only  
16 ones that shall apply to the following Medicaid managed care  
17 programs, including the comprehensive plan, children's special

19 mental health, substance abuse, and developmentally disabled  
20 services program: 401, 402, 404, 411, 414, 418, 424, 428, 456,  
21 1650, 1651, 1653, 1654, 1655, 1656, 1657, 1658, 1660, 1661, 1662,  
22 1666, 1699, 1711, 1749, 1752, and 1753.

23 Sec. 1660. (1) The department shall assure that all Medicaid  
24 children have timely access to EPSDT services as required by  
25 federal law. Medicaid HMOs shall provide EPSDT services to their  
26 child members in accordance with Medicaid EPSDT policy.

27 (2) The primary responsibility of assuring a child's hearing

1 and vision screening is with the child's primary care provider. The  
2 primary care provider shall provide age appropriate screening or  
3 arrange for these tests through referrals to local health  
4 departments. Local health departments shall provide preschool  
5 hearing and vision screening services and accept referrals for  
6 these tests from physicians or from Head Start programs in order to  
7 assure all preschool children have appropriate access to hearing  
8 and vision screening. Local health departments shall be reimbursed  
9 for the cost of providing these tests for Medicaid eligible  
10 children by the Medicaid program.

11 (3) The department shall require Medicaid HMOs to provide  
12 EPSDT utilization data through the encounter data system, and  
13 health employer data and information set well child health measures  
14 in accordance with the National Committee on Quality Assurance  
15 prescribed methodology.

16 (4) The department shall require HMOs to be responsible for  
17 well child visits and maternal and infant support services as  
18 described in Medicaid policy. These responsibilities shall be  
19 specified in the information distributed by the HMOs to their  
20 members.

21 (5) The department shall provide, on an annual basis, budget  
22 neutral incentives to Medicaid HMOs and local health departments to  
23 improve performance on measures related to the care of children and  
24 pregnant women.

25 Sec. 1661. (1) The department shall assure that all Medicaid  
26 eligible children and pregnant women have timely access to MSS/ISS  
27 services. Medicaid HMOs shall assure that maternal support service

1 screening is available to their pregnant members and that those  
2 women found to meet the maternal support service high-risk criteria  
3 are offered maternal support services. Local health departments  
4 shall assure that maternal support service screening is available  
5 for Medicaid pregnant women not enrolled in an HMO and that those  
6 women found to meet the maternal support service high-risk criteria  
7 are offered maternal support services or are referred to a  
8 certified maternal support service provider.

9 (2) The department shall prohibit HMOs from requiring prior  
10 authorization of their contracted providers for any EPSDT screening  
11 and diagnosis service, for any MSS/ISS screening referral, or for  
12 up to 3 MSS/ISS service visits.

13 (3) The department shall assure the coordination of MSS/ISS  
14 services with the WIC program, state-supported substance abuse,  
15 smoking prevention, and violence prevention programs, the  
16 department of human services, and any other state or local program  
17 with a focus on preventing adverse birth outcomes and child abuse  
18 and neglect.

19 Sec. 1662. (1) The department shall assure that an external  
20 quality review of each contracting HMO is performed that results in  
21 an analysis and evaluation of aggregated information on quality,  
22 timeliness, and access to health care services that the HMO or its  
23 contractors furnish to Medicaid beneficiaries.

24 (2) The department shall provide a copy of the analysis of the  
25 Medicaid HMO annual audited health employer data and information  
26 set reports and the annual external quality review report to the  
27 senate and house of representatives appropriations subcommittees on

1 community health, the senate and house fiscal agencies, and the  
2 state budget director, within 30 days of the department's receipt  
3 of the final reports from the contractors.

4 (3) The department shall work with the Michigan association of  
5 health plans and the Michigan association for local public health  
6 to improve service delivery and coordination in the MSS/ISS and  
7 EPSDT programs.

8 (4) The department shall assure that training and technical  
9 assistance are available for EPSDT and MSS/ISS for Medicaid health  
10 plans, local health departments, and MSS/ISS contractors.

11 Sec. 1666. To increase timely repayment of the maternity case  
12 rate to health plans and reduce the need to recover revenue from  
13 hospitals, the department shall implement system changes to assure  
14 that children who are born to mothers who are Medicaid eligible and  
15 enrolled in health plans are within 30 days after birth included in  
16 the Medicaid eligibility file and enrolled in the same health plan  
17 as the mother or any other health plan designated by the mother.

18 Sec. 1670. (1) The appropriation in part 1 for the MICHild  
19 program is to be used to provide comprehensive health care to all  
20 children under age 19 who reside in families with income at or  
21 below 200% of the federal poverty level, who are uninsured and have  
22 not had coverage by other comprehensive health insurance within 6  
23 months of making application for MICHild benefits, and who are  
24 residents of this state. The department shall develop detailed  
25 eligibility criteria through the medical services administration  
26 public concurrence process, consistent with the provisions of this  
27 article. Health care coverage for children in families below 150%

1 of the federal poverty level shall be provided through expanded  
2 eligibility under the state's Medicaid program. Health coverage for  
3 children in families between 150% and 200% of the federal poverty  
4 level shall be provided through a state-based private health care  
5 program.

6 (2) The department may provide up to 1 year of continuous  
7 eligibility to children eligible for the MICHild program unless the  
8 family fails to pay the monthly premium, a child reaches age 19, or  
9 the status of the children's family changes and its members no  
10 longer meet the eligibility criteria as specified in the federally  
11 approved MICHild state plan.

12 (3) Children whose category of eligibility changes between the  
13 Medicaid and MICHild programs shall be assured of keeping their  
14 current health care providers through the current prescribed course  
15 of treatment for up to 1 year, subject to periodic reviews by the  
16 department if the beneficiary has a serious medical condition and  
17 is undergoing active treatment for that condition.

18 (4) To be eligible for the MICHild program, a child must be  
19 residing in a family with an adjusted gross income of less than or  
20 equal to 200% of the federal poverty level. The department's  
21 verification policy shall be used to determine eligibility.

22 (5) The department shall enter into a contract to obtain  
23 MICHild services from any HMO, dental care corporation, or any  
24 other entity that offers to provide the managed health care  
25 benefits for MICHild services at the MICHild capitated rate. As  
26 used in this subsection:

27 (a) "Dental care corporation", "health care corporation",

5 operating in accordance with a prudent purchaser agreement.

6 (6) The department may enter into contracts to obtain certain  
7 MICHild services from community mental health service programs.

8 (7) The department may make payments on behalf of children  
9 enrolled in the MICHild program from the line-item appropriation  
10 associated with the program as described in the MICHild state plan  
11 approved by the United States department of health and human  
12 services, or from other medical services line-item appropriations  
13 providing for specific health care services.

14 Sec. 1671. From the funds appropriated in part 1, the  
15 department shall continue a comprehensive approach to the marketing  
16 and outreach of the MICHild program. The marketing and outreach  
17 required under this section shall be coordinated with current  
18 outreach, information dissemination, and marketing efforts and  
19 activities conducted by the department.

20 Sec. 1673. (1) The department may establish premiums for  
21 MICHild eligible persons in families with income above 150% of the  
22 federal poverty level. The monthly premiums shall not be less than  
23 \$10.00 or exceed \$15.00 for a family.

24 (2) The department shall not require copayments under the  
25 MICHild program.

26 Sec. 1677. The MICHild program shall provide all benefits  
27 available under the state employee insurance plan that are

1 delivered through contracted providers and consistent with federal  
2 law, including, but not limited to, the following medically  
3 necessary services:

4 (a) Inpatient mental health services, other than substance  
5 abuse treatment services, including services furnished in a state-  
6 operated mental hospital and residential or other 24-hour

16 inpatient, outpatient, and residential substance abuse treatment  
17 services.

23 enhanced employee benefits provided in previous years through the  
24 Medicaid nursing home wage pass-through program shall be continued  
25 in fiscal year 2006-2007.

26 (2) The department shall not implement any increase or  
27 decrease in the Medicaid nursing home wage pass-through program in

1 fiscal year 2005-2006.

2       Sec. 1681. From the funds appropriated in part 1 for home- and  
3 community-based services, the department and local waiver agents  
4 shall encourage the use of family members, friends, and neighbors  
5 of home and community-based services participants, where  
6 appropriate, to provide homemaker services, meal preparation,  
7 transportation, chore services, and other nonmedical covered  
8 services to participants in the Medicaid home- and community-based  
9 services program. This section shall not be construed as allowing  
10 for the payment of family members, friends, or neighbors for these  
11 services unless explicitly provided for in federal or state law.

12       Sec. 1682. (1) The department shall implement enforcement  
13 actions as specified in the nursing facility enforcement provisions  
14 of section 1919 of title XIX, 42 USC 1396r.

15       (2) The department is authorized to receive and spend penalty  
16 money received as the result of noncompliance with medical services  
17 certification regulations. Penalty money, characterized as private  
18 funds, received by the department shall increase authorizations and  
19 allotments in the long-term care accounts.

20       (3) Any unexpended penalty money, at the end of the year,  
21 shall carry forward to the following year.

22       Sec. 1683. The department shall promote activities that  
23 preserve the dignity and rights of terminally ill and chronically  
24 ill individuals. Priority shall be given to programs, such as  
25 hospice, that focus on individual dignity and quality of care  
26 provided persons with terminal illness and programs serving persons  
27 with chronic illnesses that reduce the rate of suicide through the

1 advancement of the knowledge and use of improved, appropriate pain  
2 management for these persons; and initiatives that train health  
3 care practitioners and faculty in managing pain, providing  
4 palliative care, and suicide prevention.

5       Sec. 1684. (1) Of the funds appropriated in part 1 for the  
6 Medicaid home- and community-based services waiver program, the  
7 payment rate allocated for administrative expenses for fiscal year  
8 2006-2007 shall continue at the rate implemented in fiscal year  
9 2005-2006 after the \$2.00 per person per day mandated reduction.

10       (2) The savings realized from continuing the reduced  
11 administrative rate shall be reallocated to increase enrollment in  
12 the waiver program and to provide direct services to eligible  
13 program participants.

14       (3) The department shall provide a report by April 1, 2007, to  
15 the house of representatives and senate appropriations  
16 subcommittees on community health and the house and senate fiscal  
17 agencies on the number of nursing home patients discharged who are  
18 subsequently enrolled in the Medicaid home- and community-based  
19 services waiver program, and the associated cost savings.

20       Sec. 1685. All nursing home rates, class I and class III, must  
21 have their respective fiscal year rate set 30 days prior to the  
22 beginning of their rate year. Rates may take into account the most  
23 recent cost report prepared and certified by the preparer, provider  
24 corporate owner or representative as being true and accurate, and  
25 filed timely, within 5 months of the fiscal year end in accordance  
26 with Medicaid policy. If the audited version of the last report is  
27 available, it shall be used. Any rate factors based on the filed

1 cost report may be retroactively adjusted upon completion of the  
2 audit of that cost report.

3 Sec. 1686. (1) The department shall submit a report by April  
4 30, 2007, to the house of representatives and senate appropriations  
5 subcommittees on community health and the house and senate fiscal  
6 agencies on the progress of 4 Medicaid long-term care single point  
7 of entry services pilot projects. The department shall also submit  
8 a final plan to the house of representatives and senate  
9 subcommittees on community health and the house and senate fiscal  
10 agencies 60 days prior to any expansion of the program.

11 (2) In addition to the report required under subsection (1),  
12 the department shall report all of the following to the house of  
13 representatives and senate appropriations subcommittees on  
14 community health and the house of representatives and senate fiscal  
15 agencies by September 30, 2007:

16 (a) The total cost of the single point of entry program.

17 (b) The total cost of each designated single point of entry.

18 (c) The total amount of Medicaid dollars saved because of the  
19 program.

20 (d) The total number of emergent single point of entry cases  
21 handled and the average length of time for placement in long-term  
22 care for those cases.

23 (e) The total number of single point of entry cases involving  
24 transfer from hospital settings to long-term care settings and the  
25 average length of time for placement of those cases in long-term  
26 care settings.

27 (3) It is the intent of the legislature that funding for

1 single point of entry for long-term care end on September 30, 2008.

2 (4) As used in this section, "single point of entry" means a  
3 system that enables consumers to access Medicaid long-term care  
4 services and supports through 1 agency or organization and that  
5 promotes consumer education and choice of long-term care options.

6 Sec. 1687. (1) From the funds appropriated in part 1 for long-  
7 term care services, the department shall contract with a stand  
8 alone psychiatric facility that provides at least 20% of its total  
9 care to Medicaid recipients to provide access to Medicaid  
10 recipients who require specialized Alzheimer's disease or dementia  
11 care.

12 (2) The department shall report to the senate and house  
13 appropriations subcommittees on community health and the senate and  
14 house fiscal agencies on the effectiveness of the contract required  
15 under subsection (1) to improve the quality of services to Medicaid  
16 recipients.

17 Sec. 1688. The department shall not impose a limit on per unit  
18 reimbursements to service providers that provide personal care or  
19 other services under the Medicaid home- and community-based  
20 services waiver program for the elderly and disabled. The  
21 department's per day per client reimbursement cap calculated in the  
22 aggregate for all services provided under the Medicaid home- and  
23 community-based services waiver is not a violation of this section.

24 Sec. 1689. (1) Priority in enrolling additional persons in the  
25 Medicaid home- and community-based services waiver program shall be  
26 given to those who are currently residing in nursing homes or who  
27 are eligible to be admitted to a nursing home if they are not

1 provided home- and community-based services. The department shall  
2 implement screening and assessment procedures to assure that no  
3 additional Medicaid eligible persons are admitted to nursing homes  
4 who would be more appropriately served by the Medicaid home- and  
5 community-based services waiver program. If there is a net decrease  
6 in the number of Medicaid nursing home days of care during the most  
7 recent quarter in comparison with the previous quarter and a net  
8 cost savings attributable to moving individuals from a nursing home  
9 to the home- and community-based services waiver program, the  
10 department shall transfer the net cost savings to the home- and  
11 community-based services waiver program. If a transfer is required,  
12 it shall be done on a quarterly basis.

13 (2) Within 30 days of the end of each fiscal quarter, the  
14 department shall provide a report to the senate and house  
15 appropriations subcommittees on community health and the senate and  
16 house fiscal agencies that details existing and future allocations  
17 for the home- and community-based services waiver program by  
18 regions as well as the associated expenditures. The report shall  
19 include information regarding the net cost savings from moving  
20 individuals from a nursing home to the home- and community-based  
21 services waiver program and the amount of funds transferred.

22 Sec. 1690. The department shall establish and implement a  
23 long-term care partnership program to provide for the financing of  
24 long-term care through a combination of private insurance and  
25 Medicaid as specified in state law.

26 Sec. 1691. (1) From the funds appropriated in part 1 for the  
27 wage increase for adult home help services, the department, in

1 conjunction with the department of human services, shall not raise  
2 wages for adult home help employees who are providing services to  
3 relatives beyond the wages established in fiscal year 2005-2006 for  
4 those employees.

5 (2) The wage requirement referenced in subsection (1) shall  
6 take effect on October 1, 2006.

7 Sec. 1692. (1) The department of community health is  
8 authorized to pursue reimbursement for eligible services provided  
9 in Michigan schools from the federal Medicaid program. The  
10 department and the state budget director are authorized to  
11 negotiate and enter into agreements, together with the department  
12 of education, with local and intermediate school districts  
13 regarding the sharing of federal Medicaid services funds received  
14 for these services. The department is authorized to receive and  
15 disburse funds to participating school districts pursuant to such  
16 agreements and state and federal law.

17 (2) From the funds appropriated in part 1 for medical services  
18 school services payments, the department is authorized to do all of  
19 the following:

20 (a) Finance activities within the medical services  
21 administration related to this project.

22 (b) Reimburse participating school districts pursuant to the  
23 fund sharing ratios negotiated in the state-local agreements  
24 authorized in subsection (1).

25 (c) Offset general fund costs associated with the medical  
26 services program.

27 Sec. 1693. The special Medicaid reimbursement appropriation in

1 part 1 may be increased if the department submits a medical  
2 services state plan amendment pertaining to this line item at a  
3 level higher than the appropriation. The department is authorized  
4 to appropriately adjust financing sources in accordance with the  
5 increased appropriation.

6 Sec. 1694. The department of community health shall distribute  
7 \$695,000.00 to children's hospitals that have a high indigent care  
8 volume. The amount to be distributed to any given hospital shall be  
9 based on a formula determined by the department of community  
10 health.

11 Sec. 1697. (1) As may be allowed by federal law or regulation,  
12 the department may use funds provided by a local or intermediate  
13 school district, which have been obtained from a qualifying health  
14 system, as the state match required for receiving federal Medicaid  
15 or children health insurance program funds. Any such funds received  
16 shall be used only to support new school-based or school-linked  
17 health services.

18 (2) A qualifying health system is defined as any health care  
19 entity licensed to provide health care services in the state of  
20 Michigan, that has entered into a contractual relationship with a  
21 local or intermediate school district to provide or manage school-  
22 based or school-linked health services.

23 Sec. 1699. The department may make separate payments directly  
24 to qualifying hospitals serving a disproportionate share of  
25 indigent patients in the amount of \$50,000,000.00, and to hospitals  
26 providing graduate medical education training programs. If direct  
27 payment for GME and DSH is made to qualifying hospitals for

1 services to Medicaid clients, hospitals will not include GME costs  
2 or DSH payments in their contracts with HMOs.

3 Sec. 1710. Any proposed changes by the department to the  
4 MIChoice home- and community-based services waiver program  
5 screening process shall be provided to the members of the house and  
6 senate appropriations subcommittees on community health prior to  
7 implementation of the proposed changes.

8 Sec. 1711. (1) The department shall maintain the 2-tier  
9 reimbursement methodology for Medicaid emergency physicians  
10 professional services that was in effect on September 30, 2002,  
11 subject to the following conditions:

12 (a) Payments by case and in the aggregate shall not exceed 70%  
13 of Medicare payment rates.

14 (b) Total expenditures for these services shall not exceed the  
15 level of total payments made during fiscal year 2001-2002, after  
16 adjusting for Medicare copayments and deductibles and for changes  
17 in utilization.

18 (2) To ensure that total expenditures stay within the spending  
19 constraints of subsection (1)(b), the department shall develop a  
20 utilization adjustor for the basic 2-tier payment methodology. The  
21 adjustor shall be based on a good faith estimate by the department  
22 as to what the expected utilization of emergency room services will  
23 be during fiscal year 2006-2007, given changes in the number and  
24 category of Medicaid recipients. If expenditure and utilization  
25 data indicate that the amount and/or type of emergency physician  
26 professional services are exceeding the department's estimate, the  
27 utilization adjustor shall be applied to the 2-tier reimbursement

1 methodology in such a manner as to reduce aggregate expenditures to  
2 the fiscal year 2001-2002 adjusted expenditure target.

3 (3) The department shall encourage each Medicaid HMO to create  
4 a criteria-based emergency room observation rate for Medicaid  
5 eligibles with a length of stay of not more than 24 hours.

6 Sec. 1712. (1) Subject to the availability of funds, the  
7 department shall implement a rural health initiative. Available  
8 funds shall first be allocated as an outpatient adjustor payment to  
9 be paid directly to hospitals in rural counties in proportion to  
10 each hospital's Medicaid and indigent patient population.  
11 Additional funds, if available, shall be allocated for  
12 defibrillator grants, EMT training and support, or other similar  
13 programs.

14 (2) Except as otherwise specified in this section, "rural"  
15 means a county, city, village, or township with a population of not  
16 more than 30,000, including those entities if located within a  
17 metropolitan statistical area.

18 Sec. 1716. The department shall seek to maintain a constant  
19 enrollment level within the Medicaid adult benefits waiver program  
20 throughout fiscal year 2006-2007.

21 Sec. 1717. (1) The department shall create 2 pools for  
22 distribution of disproportionate share hospital funding. The first  
23 pool, totaling \$45,000,000.00, shall be distributed using the  
24 distribution methodology used in fiscal year 2003-2004. The second  
25 pool, totaling \$5,000,000.00, shall be distributed to unaffiliated  
26 hospitals and hospital systems that received less than \$900,000.00  
27 in disproportionate share hospital payments in fiscal year 2003-

1 2004 based on a formula that is weighted proportional to the  
2 product of each eligible system's Medicaid revenue and each  
3 eligible system's Medicaid utilization.

4 (2) By September 30, 2007, the department shall report to the  
5 senate and house appropriations subcommittees on community health  
6 and the senate and house fiscal agencies on the new distribution of  
7 funding to each eligible hospital from the 2 pools.

8 Sec. 1718. The department shall provide each Medicaid adult  
9 home help beneficiary or applicant with the right to a fair hearing  
10 when the department or its agent reduces, suspends, terminates, or  
11 denies adult home help services. If the department takes action to  
12 reduce, suspend, terminate, or deny adult home help services, it  
13 shall provide the beneficiary or applicant with a written notice  
14 that states what action the department proposes to take, the  
15 reasons for the intended action, the specific regulations that  
16 support the action, and an explanation of the beneficiary's or  
17 applicant's right to an evidentiary hearing and the circumstances  
18 under which those services will be continued if a hearing is  
19 requested.

20 Sec. 1720. The department shall continue its Medicare recovery  
21 program.

22 Sec. 1721. The department shall conduct a review of Medicaid  
23 eligibility pertaining to funds prepaid to a nursing home or other  
24 health care facility that are subsequently returned to an  
25 individual who becomes Medicaid eligible and shall report its  
26 findings to the members of the house and senate appropriations  
27 subcommittees on community health and the house and senate fiscal

1 agencies not later than May 15, 2007. Included in its report shall  
2 be recommendations for policy and procedure changes regarding  
3 whether any funds prepaid to a nursing home or other health care  
4 facility that are subsequently returned to an individual, after the  
5 date of Medicaid eligibility and patient pay amount determination,  
6 shall be considered as a countable asset and recommendations for a  
7 mechanism for departmental monitoring of those funds.

8       Sec. 1722. (1) From the funds appropriated in part 1 for  
9 special Medicaid reimbursement payments, the department is  
10 authorized to make a disproportionate share payment of  
11 \$33,167,700.00 for health services provided by Hutzel Hospital.

12       (2) The funding authorized under subsection (1) shall only be  
13 expended if the necessary Medicaid matching funds are provided by,  
14 or on behalf of, the hospital as allowable state match.

15       Sec. 1724. The department shall allow licensed pharmacies to  
16 purchase injectable drugs for the treatment of respiratory  
17 syncytial virus for shipment to physicians' offices to be  
18 administered to specific patients. If the affected patients are  
19 Medicaid eligible, the department shall reimburse pharmacies for  
20 the dispensing of the injectable drugs and reimburse physicians for  
21 the administration of the injectable drugs.

22       Sec. 1725. The department shall continue to work with the  
23 department of human services to reduce Medicaid eligibility errors  
24 related to basic eligibility requirements and income requirements.

25       Sec. 1726. Any clinical laboratory performing a creatinine  
26 test on a Medicaid client shall report the glomerular filtration  
27 rate (eGFR) of the patient and shall report it as a percent of

1 kidney function remaining.

2       Sec. 1728. The department shall make available to qualifying  
3 Medicaid recipients, not based on Medicare guidelines,  
4 freestanding, electric, lifting, and transferring devices.

5       Sec. 1732. The department shall assure that, if proposed  
6 modifications to the quality assurance assessment program for  
7 nursing homes are not implemented, the projected general  
8 fund/general purpose savings shall not be achieved through  
9 reductions in nursing home reimbursement rates.

10       Sec. 1735. (1) The department shall establish a committee that  
11 will attempt to identify possible Medicaid program savings  
12 associated with the creation of a preferred provider program for  
13 durable medical equipment, prosthetics, and orthotics.

14       (2) To assure quality and access, the preferred provider  
15 program shall involve providers who can offer a broad statewide  
16 network of services and who are accredited by the joint commission  
17 on accreditation of healthcare organizations or the accreditation  
18 commission for health care, inc. and the American board for  
19 certification in orthotics and prosthetics.

20       (3) This committee shall include, at minimum, representatives  
21 from each of the contracted Medicaid HMOs, the medical services  
22 administration, the Michigan state medical society, the Michigan  
23 osteopathic society, the Michigan home health association, the  
24 Michigan health and hospital association, and 2 accredited  
25 providers.

26       (4) By April 1, 2007, the committee shall report to the senate  
27 and house of representatives subcommittees on community health, the

1 state budget director, and the department on possible durable  
2 medical equipment contracting opportunities and anticipated  
3 Medicaid program savings.

4 Sec. 1737. (1) The department shall adjust current copayments  
5 and premiums pursuant to changes in federal law in order to  
6 increase savings from copayments and premiums by \$2,442,700.00  
7 general fund/general purpose.

8 (2) Residents of adult foster care facilities shall be exempt  
9 from any copayment or premium increases.

10 Sec. 1738. (1) The department shall explore ways to increase  
11 the federal disproportionate share hospital cap.

12 (2) If the disproportionate share hospital cap is increased,  
13 the department shall consider increasing funding for county health  
14 plans and shall consider disproportionate share hospital payments  
15 to trauma centers.

16 Sec. 1741. The department shall continue to provide nursing  
17 homes the opportunity to receive interim payments upon their  
18 request. The department shall make efforts to ensure that the  
19 interim payments are as similar to expected cost-settled payments  
20 as possible.

21 Sec. 1742. The department shall allow the retention of \$100.00  
22 in special Medicaid reimbursement funding by any public hospital  
23 that meets each of the following criteria:

24 (a) The hospital participates in the intergovernmental  
25 transfers.

26 (b) The hospital is not affiliated with a university.

27 (c) The hospital provides surgical services.

1 (d) The hospital has at least 10,000 Medicaid bed days.

2 Sec. 1744. The department shall require a nursing home to have  
3 an appropriate number of freestanding, electric, lifting, and  
4 transferring devices as a condition of participation in the  
5 Medicaid program.

6 Sec. 1746. Beginning October 1, 2006, the department shall  
7 increase the monthly Medicaid personal care supplement by \$10.00 to  
8 adult foster care facilities and homes for the aged providing  
9 personal care services to Medicaid beneficiaries.

10 Sec. 1747. In order to be reimbursed for adult home help  
11 services provided to Medicaid recipients, the matching of adult  
12 home help providers with service recipients shall be coordinated by  
13 the local county department of human services rather than an  
14 outside entity.

15 Sec. 1748. The department shall develop, in consultation with  
16 representatives of the pharmacists and nursing home service  
17 providers, a Medicaid long-term care medication management pilot  
18 project for Medicaid patients in nursing home settings.

19 Sec. 1749. Effective September 30, 2007, the department shall  
20 require all Medicaid health plans to use the same standard billing  
21 formats.

22 Sec. 1751. The department shall provide a report by April 1,  
23 2007, to the house of representatives and senate appropriations  
24 subcommittees on community health and the house and senate fiscal  
25 agencies on establishing Medicaid diagnosis related group rates  
26 based on fee-for-service and health plan costs.

27 Sec. 1752. The department shall provide a Medicaid health plan

1 with any information that may assist the Medicaid health plan in  
2 determining whether another party may be responsible, in whole or  
3 in part, for the payment of health benefits.

4 Sec. 1753. The department shall take steps to obtain data from  
5 auto insurers on insurance payouts for health care claims. If the  
6 auto insurers do not voluntarily release the information upon  
7 request, the department shall propose legislation to require those  
8 insurers to disclose that information upon request. The department  
9 shall provide the information received under this section to  
10 Medicaid health plans.

11 Sec. 1755. It is the intent of the legislature that within 6  
12 years the department shall require all enrolled Medicaid providers  
13 to establish and maintain an electronic health care information  
14 system unless such a requirement is prohibited by federal or state  
15 law.

16 Sec. 1756. Not later than March 1, 2007, the department shall  
17 establish and implement a specialized case management program to  
18 serve the most costly Medicaid beneficiaries, including persons  
19 with chronic diseases and mental health diagnoses, high  
20 prescription drug utilizers, members demonstrating noncompliance  
21 with previous medical management, and neonates. The case management  
22 program shall, at a minimum, provide a performance payment  
23 incentive for physicians who manage the recipient's care and health  
24 costs in the most effective way. The department may also develop  
25 additional contractual arrangements with 1 or more Medicaid HMOs  
26 for the provision of specialized case management services.

27 Sec. 1758. The department shall submit a report on the number

1 of illegal immigrants who qualify for Medicaid and the annual  
2 amount of Medicaid expenditures for this population to the house of  
3 representatives and senate appropriations subcommittees on  
4 community health and the house and senate fiscal agencies by April  
5 1, 2007.

6 Sec. 1759. The department shall implement the following long-  
7 term care policy changes included in the federal deficit reduction  
8 act of 2005, Public Law 109-171:

9 (a) Lengthening the look back policy for asset transfers from  
10 3 to 5 years.

11 (b) Changing the penalty period to begin the day an individual  
12 applies for Medicaid.

13 (c) Individuals with more than \$500,000.00 in home equity do  
14 not qualify for Medicaid.

15 Sec. 1760. In addition to the funds appropriated in part 1 for  
16 the health information technology initiatives, the department shall  
17 seek out and apply for federal and private grant funding for health  
18 information technology efforts.

19 Sec. 1761. (1) The department and Medicaid contracted health  
20 plans shall distribute 100% of the payments funded by the  
21 additional hospital tax, after a \$20,000,000.00 allocation to the  
22 general fund, to hospitals using a lump sum distribution  
23 methodology.

24 (2) The department shall distribute all funds recovered by the  
25 medical services administration from prior and future Medicaid  
26 access to care initiative payments exceeding the hospital upper  
27 payment limit for inpatient and outpatient services to hospitals

1 meeting any of the following characteristics:

2 (a) Is located in a rural county as determined by the most  
3 recent United States census.

4 (b) Is a Medicare sole community hospital.

5 (c) Is a Medicare dependent hospital and rural referral center  
6 hospital.

7 (3) The distribution under subsection (2) shall be based upon  
8 each hospital's Medicaid fee-for-service and HMO payments as  
9 developed in consultation with rural hospitals and the Michigan  
10 health and hospital association.

11 Sec. 1762. In order to save money, the department shall adopt  
12 an Internet-based workflow management tool to streamline  
13 administrative functions such as prior authorizations, provider  
14 correspondence, provider enrollment, third-party recovery, level of  
15 care determinations, claims processing, and provider,  
16 interdepartmental, and contractor communication.

17 Sec. 1763. From the funds appropriated in part 1 for health  
18 information technology initiatives, the department shall  
19 participate in a pilot project related to the electronic exchange  
20 of health information in southeast Michigan.

18 technology may be designated as work projects and carried forward  
19 to support department of corrections technology projects under the  
20 direction of the department of information technology. Funds  
21 designated in this manner are not available for expenditure until  
22 approved as work projects under section 451a of the management and  
23 budget act, 1984 PA 431, MCL 18.1451a.

17 director may grant an exception to allow the travel. Any exceptions  
18 granted by the state budget director shall be reported on a monthly

5 necessary policy proposals that provide alternatives to prison for  
6 offenders being sentenced to prison as a result of technical  
7 probation violations and technical parole violations. To the extent  
8 the department has insufficient policies or resources to affect the  
9 continued increase in prison commitments among these offender  
10 populations, the department shall explore other policy options to  
11 allow for program alternatives, including department or OCC-funded  
12 programs, local level programs, and programs available through

2 advisory board, and the sheriffs' coordinating and training council

5 (3) By September 30, 2007, the department shall report to the

24 department plans to improve recidivism rates. The plan also shall  
25 include details on how the department proposes to measure the  
26 success of the plan.

3 prosecutorial and detainer expenses, the department shall reimburse  
4 counties for housing and custody of parole violators and offenders  
5 being returned by the department from community placement who are  
6 available for return to institutional status and for prisoners who  
7 volunteer for placement in a county jail.

8           Sec. 502. (1) The department shall screen and assess each  
9 prisoner for alcohol and other drug involvement to determine the  
10 need for further treatment. The assessment process shall be  
11 designed to identify the severity of alcohol and other drug  
12 addiction and determine the treatment plan, if appropriate.

13           (2) Subject to the availability of funding resources, the  
14 department shall provide substance abuse treatment to prisoners  
15 with priority given to those prisoners who are most in need of  
16 treatment and who can best benefit from program intervention based  
17 on the screening and assessment provided under subsection (1).

18           Sec. 503. (1) In expending residential substance abuse  
19 treatment services funds appropriated under this article, the  
20 department shall ensure to the maximum extent possible that  
21 residential substance abuse treatment services are available  
22 statewide.

23           (2) By April 1, 2007, the department shall report to the  
24 senate and house appropriations subcommittees on corrections, the  
25 senate and house fiscal agencies, and the state budget director on  
26 the allocation, distribution, and expenditure of all funds  
27 appropriated by the substance abuse testing and treatment line item

1 during fiscal year 2005-2006 and projected for fiscal year 2006-  
2 2007. The report shall include, but not be limited to, an  
3 explanation of an anticipated year-end balance, the number of  
4 participants in substance abuse programs, and the number of  
5 offenders on waiting lists for residential substance abuse  
6 programs. Information required under this subsection shall, where  
7 possible, be separated by MDOC administrative region and by  
8 offender type, including, but not limited to, a distinction between  
9 prisoners, parolees, and probationers.

10 (3) By April 1, 2007, the department shall report to the  
11 senate and house appropriations subcommittees on corrections, the  
12 senate and house fiscal agencies, and the state budget director on  
13 substance abuse testing and treatment program objectives, outcome  
14 measures, and results, including program impact on offender  
15 behavior and recidivism.

16 Sec. 504. The department shall develop and maintain a  
17 statewide waiting list for offenders referred for assessment for  
18 the assaultive offender program for parole eligibility and, if  
19 possible, shall transfer prisoners into facilities where assaultive  
20 offender programs are available in order to facilitate timely  
21 participation and completion prior to parole eligibility hearings.  
22 Nothing in this section should be deemed to make parole denial  
23 appealable in court.

24 Sec. 505. The department shall cooperate with the department  
25 of community health in providing information for and developing the  
26 report required under section 425 of article 3. The report shall,  
27 by April 1, 2007, provide the following data concerning mental

1 health and substance abuse services during fiscal year 2005-2006:

2 (a) The number of prisoners receiving substance abuse  
3 services, including a description and breakdown of the type of  
4 substance abuse services provided to prisoners.

5 (b) The number of prisoners with a primary diagnosis of mental  
6 illness and the number of those prisoners receiving mental health  
7 services, including a description and breakdown, encompassing, at a  
8 minimum, the categories of inpatient, residential, and outpatient  
9 care, of the type of mental health services provided to those  
10 prisoners.

11 (c) The number of prisoners with a primary diagnosis of mental  
12 illness and receiving substance abuse services, including a  
13 description and breakdown, encompassing, at a minimum, the  
14 categories of inpatient, residential, and outpatient care, of the  
15 type of treatment provided to those prisoners.

16 (d) Data indicating if prisoners receiving mental health  
17 services for a primary diagnosis of mental illness were previously  
18 hospitalized in a state psychiatric hospital for persons with  
19 mental illness.

20 (e) Data indicating whether prisoners with a primary diagnosis  
21 of mental illness and receiving substance abuse services were  
22 previously hospitalized in a state psychiatric hospital for persons  
23 with mental illness.

24 **FIELD OPERATIONS ADMINISTRATION**

25 Sec. 601. From the funds appropriated in part 1, the  
26 department shall conduct a statewide caseload audit of field

1 agents. The audit shall address public protection issues and assess  
2 the ability of the field agents to complete their professional  
3 duties. The results of the audit shall be submitted to the senate  
4 and house appropriations subcommittees on corrections and the  
5 senate and house fiscal agencies, and the state budget office by  
6 September 30, 2007.

7       Sec. 602. (1) Of the amount appropriated in part 1 for field  
8 operations, a sufficient amount shall be allocated for the  
9 community service work program and shall be used for salaries and  
10 wages and fringe benefit costs of community service coordinators  
11 employed by the department to supervise offenders participating in  
12 work crew assignments. Funds shall also be used to cover motor  
13 transport division rates on state vehicles used to transport  
14 offenders to community service work project sites.

15       (2) The community service work program shall provide offenders  
16 with community service work of tangible benefit to a community  
17 while fulfilling court-ordered community service work sanctions and  
18 other postconviction obligations.

19       (3) As used in this section, "community service work" means  
20 work performed by an offender in an unpaid position with a  
21 nonprofit or tax-supported or government agency for a specified  
22 number of hours of work or service within a given time period.

23       Sec. 603. (1) All prisoners, probationers, and parolees  
24 involved with the electronic tether program shall reimburse the  
25 department for costs associated with their participation in the  
26 program. The department may require community service work  
27 reimbursement as a means of payment for those able-bodied

1 individuals unable to pay for the costs of the equipment.

2 (2) Program participant contributions and local community  
3 tether program reimbursement for the electronic tether program  
4 appropriated in part 1 are related to program expenditures and may  
5 be used to offset expenditures for this purpose.

6 (3) Included in the appropriation in part 1 is adequate  
7 funding to implement the community tether program to be  
8 administered by the department. The community tether program is  
9 intended to provide sentencing judges and county sheriffs in  
10 coordination with local community corrections advisory boards  
11 access to the state's electronic tether program to reduce prison  
12 admissions and improve local jail utilization. The department shall  
13 determine the appropriate distribution of the tether units  
14 throughout the state based upon locally developed comprehensive  
15 corrections plans under the community corrections act, 1988 PA 511,  
16 MCL 791.401 to 791.414.

17 (4) For a fee determined by the department, the department  
18 shall provide counties with the tether equipment, replacement  
19 parts, administrative oversight of the equipment's operation,  
20 notification of violators, and periodic reports regarding county  
21 program participants. Counties are responsible for tether equipment  
22 installation and service. For an additional fee as determined by  
23 the department, the department shall provide staff to install and  
24 service the equipment. Counties are responsible for the  
25 coordination and apprehension of program violators.

26 (5) Any county with tether charges outstanding over 60 days  
27 shall be considered in violation of the community tether program

1 agreement and lose access to the program.

2       Sec. 604. Community-placement prisoners and parolees shall  
3 reimburse the department for the total costs of the program. As an  
4 alternative method of payment, the department may develop a  
5 community service work schedule for those individuals unable to  
6 meet reimbursement requirements established by the department.

7       Sec. 605. (1) As a condition of expending funds appropriated  
8 in part 1 for field operations, the department shall develop and  
9 implement a response to the findings and recommendations of the  
10 national council on crime and delinquency contained in the  
11 council's report on the Michigan department of corrections  
12 probation and parole agent workload study, issued February 2006.

13       (2) By November 1, 2006, the department shall report to the  
14 members of the senate and house appropriations subcommittees on  
15 corrections, the senate and house fiscal agencies, and the state  
16 budget director on the department's response to the workload study.  
17 At a minimum, the report shall include:

18       (a) The department's estimate of the number of agents required  
19 to meet agency standards for completing investigations and  
20 supervising offenders, consistent with public safety.

21       (b) An explanation of any difference between the department's  
22 estimate under subdivision (a) and that contained in the workload  
23 study.

24       (c) The number of agent positions authorized and the number of  
25 agent positions filled as of October 1, 2006.

26       (d) A plan for meeting agency standards with regard to field  
27 agent workloads.

1       Sec. 606. It is the intent of the legislature that the  
2 department shall ensure that parolees and probationers may timely  
3 contact their parole or probation agents and maintain procedures  
4 that preclude any necessity for an offender to have access to an  
5 agent's home telephone number or other personal information  
6 pertaining to the agent.

7       Sec. 607. (1) Funds appropriated in part 1 for the parole and  
8 probation special operations program are appropriated for the  
9 purpose of funding law enforcement officer escorts for field agents  
10 making unscheduled visits to verify offenders' whereabouts and  
11 activities in selected precincts in cities with a population of  
12 more than 750,000 according to the most recent United States  
13 decennial census. As used in this section, "unscheduled visits"  
14 means visits to locations other than governmental offices between  
15 the hours of 5 p.m. and 8 a.m. and made without appointment with  
16 the supervised offender.

17       (2) It is the intent of the legislature that in the course of  
18 expending funds appropriated under part 1 for field operations, the  
19 department shall cooperate with the department of attorney general  
20 and law enforcement agencies either located in or with jurisdiction  
21 in cities with a population of more than 750,000 according to the  
22 most recent United States decennial census in assigning field  
23 agents to conduct unscheduled visits in selected police precincts  
24 in cities with a population of more than 750,000 according to the  
25 most recent United States decennial census.

26       Sec. 608. By May 1, 2007, the department shall report to the  
27 senate and house appropriations subcommittees on corrections, the

senate and house fiscal agencies, and the state budget director on the failure rate of parolees involved with the GPS electronic tether program. The report shall include the following information about these offenders:

(a) The number and rate of parolee technical violations, including specifying failures due to committing a new crime that is uncharged but leads to parole termination.

(b) The number and rate of parolee violators with new sentences.

#### **COMMUNITY CORRECTIONS**

Sec. 701. The office of community corrections shall provide and coordinate the delivery and implementation of services in communities to facilitate successful offender reintegration into the community. Programs and services to be offered shall include, but are not limited to, technical assistance for comprehensive corrections plan development, new program start-up funding, program funding for those programs delivering services for eligible offenders in geographic areas identified by the office of community corrections as having a shortage of available services, technical assistance, referral services for education, employment services, and substance abuse and family counseling. As used in this article:

(a) "Alternative to incarceration in a state facility or jail" means a program that involves offenders who receive a sentencing disposition that appears to be in place of incarceration in a state correctional facility or jail based on historical local sentencing patterns or that amounts to a reduction in the length of sentence

1 in a jail.

2 (b) "Goal" means the intended or projected result of a  
3 comprehensive corrections plan or community corrections program to  
4 reduce prison commitment rates, to reduce the length of stay in a  
5 jail, or to improve the utilization of a jail.

6 (c) "Jail" means a facility operated by a local unit of  
7 government for the physical detention and correction of persons  
8 charged with or convicted of criminal offenses.

9 (d) "Offender eligibility criteria" means particular criminal  
10 violations, state felony sentencing guidelines descriptors, and  
11 offender characteristics developed by advisory boards and approved  
12 by local units of government that identify the offenders suitable  
13 for community corrections programs funded through the office of  
14 community corrections.

15 (e) "Offender target population" means felons or misdemeanants  
16 who would likely be sentenced to imprisonment in a state  
17 correctional facility or jail, who would not increase the risk to  
18 the public safety, who have not demonstrated a pattern of violent  
19 behavior, and who do not have criminal records that indicate a  
20 pattern of violent offenses.

21 (f) "Offender who would likely be sentenced to imprisonment"  
22 means either of the following:

23 (i) A felon or misdemeanor who receives a sentencing  
24 disposition that appears to be in place of incarceration in a state  
25 correctional facility or jail, according to historical local  
26 sentencing patterns.

27 (ii) A currently incarcerated felon or misdemeanor who is

1 granted early release from incarceration to a community corrections  
2 program or who is granted early release from incarceration as a  
3 result of a community corrections program.

4 Sec. 702. (1) The funds included in part 1 for community  
5 corrections comprehensive plans and services are to encourage the  
6 development through technical assistance grants, implementation,  
7 and operation of community corrections programs that serve as an  
8 alternative to incarceration in a state facility or jail. The  
9 comprehensive corrections plans shall include an explanation of how  
10 the public safety will be maintained, the goals for the local  
11 jurisdiction, offender target populations intended to be affected,  
12 offender eligibility criteria for purposes outlined in the plan,  
13 and how the plans will meet the following objectives, consistent  
14 with section 8(4) of the community corrections act, 1988 PA 511,  
15 MCL 791.408:

16 (a) Reduce admissions to prison of nonviolent offenders who  
17 would have otherwise received an active sentence, including  
18 probation violators.

19 (b) Improve the appropriate utilization of jail facilities,  
20 the first priority of which is to open jail beds intended to house  
21 otherwise prison-bound felons, and the second priority being to  
22 appropriately utilize jail beds so that jail crowding does not  
23 occur.

24 (c) Open jail beds through the increase of pretrial release  
25 options.

26 (d) Reduce the readmission to prison of parole violators.

27 (e) Reduce the admission or readmission to prison of

1 offenders, including probation violators and parole violators, for  
2 substance abuse violations.

3 (2) The award of community corrections comprehensive plans and  
4 residential services funds shall be based on criteria that include,  
5 but are not limited to, the prison commitment rate by category of  
6 offenders, trends in prison commitment rates and jail utilization,  
7 historical trends in community corrections program capacity and  
8 program utilization, and the projected impact and outcome of annual  
9 policies and procedures of programs on prison commitment rates and  
10 jail utilization.

11 (3) Funds awarded for residential services in part 1 shall  
12 provide for a per diem reimbursement of not more than \$47.50.

13 Sec. 703. The comprehensive corrections plans shall also  
14 include, where appropriate, descriptive information on the full  
15 range of sanctions and services that are available and utilized  
16 within the local jurisdiction and an explanation of how jail beds,  
17 residential services, the special alternative incarceration program  
18 (boot camp), probation detention centers, the electronic monitoring  
19 program for probationers, and treatment and rehabilitative services  
20 will be utilized to support the objectives and priorities of the  
21 comprehensive corrections plan and the purposes and priorities of  
22 section 8(4) of the community corrections act, 1988 PA 511, MCL  
23 791.408. The plans shall also include, where appropriate,  
24 provisions that detail how the local communities plan to respond to  
25 sentencing guidelines found in chapter XVII of the code of criminal  
26 procedure, 1927 PA 175, MCL 777.1 to 777.69, and the use of the  
27 county jail reimbursement program under section 706 of this

1 article. The state community corrections board shall encourage  
2 local community corrections boards to include in their  
3 comprehensive corrections plans strategies to collaborate with  
4 local alcohol and drug treatment agencies of the department of  
5 community health for the provision of alcohol and drug screening,  
6 assessment, case management planning, and delivery of treatment to  
7 alcohol- and drug-involved offenders, including, but not limited  
8 to, probation and parole violators who are at risk of revocation.

9 Sec. 704. (1) As part of the March biannual report specified  
10 in section 12(2) of the community corrections act, 1988 PA 511, MCL  
11 791.412, that requires an analysis of the impact of that act on  
12 prison admissions and jail utilization, the department shall submit  
13 to the senate and house appropriations subcommittees on  
14 corrections, the senate and house fiscal agencies, and the state  
15 budget director the following information for each county and  
16 counties consolidated for comprehensive corrections plans:

17 (a) Approved technical assistance grants and comprehensive  
18 corrections plans including each program and level of funding, the  
19 utilization level of each program, and profile information of  
20 enrolled offenders.

21 (b) If federal funds are made available, the number of  
22 participants funded, the number served, the number successfully  
23 completing the program, and a summary of the program activity.

24 (c) Status of the community corrections information system and  
25 the jail population information system.

26 (d) Data on residential services, including participant data,  
27 participant sentencing guideline scores, program expenditures,

1 average length of stay, and bed utilization data.

2 (e) Offender disposition data by sentencing guideline range,  
3 by disposition type, number and percent statewide and by county,  
4 current year, and comparisons to the previous 3 years.

5 (2) The report required under subsection (1) shall include the  
6 total funding allocated, program expenditures, required program  
7 data, and year-to-date totals.

8 Sec. 705. (1) The department shall identify and coordinate  
9 information regarding the availability of and the demand for  
10 community corrections programs, jail-based community corrections  
11 programs, and basic state-required jail data.

12 (2) The department is responsible for the collection,  
13 analysis, and reporting of state-required jail data.

14 (3) As a prerequisite to participation in the programs and  
15 services offered through the department, counties shall provide  
16 basic jail data to the department.

17 Sec. 706. (1) The department shall administer a county jail  
18 reimbursement program from the funds appropriated in part 1 for the  
19 purpose of reimbursing counties for housing in jails felons who  
20 otherwise would have been sentenced to prison.

21 (2) The county jail reimbursement program shall reimburse  
22 counties for housing and custody of convicted felons if the  
23 conviction was for a crime committed on or after January 1, 1999  
24 and 1 of the following applies:

25 (a) The felon's sentencing guidelines recommended range upper  
26 limit is more than 18 months, the felon's sentencing guidelines  
27 recommended range lower limit is 12 months or less, the felon's

1 prior record variable score is 35 or more points, and the felon's  
2 sentence is not for commission of a crime in crime class G or crime  
3 class H under chapter XVII of the code of criminal procedure, 1927  
4 PA 175, MCL 777.1 to 777.69.

5 (b) The felon's minimum sentencing guidelines range minimum is  
6 more than 12 months.

7 (3) State reimbursement under this section for prisoner  
8 housing and custody expenses per diverted offender shall be \$43.50  
9 per diem for up to a 1-year total.

10 (4) From the funds appropriated in part 1 for the county jail  
11 reimbursement program, the department shall contract for an ongoing  
12 study to determine the impact of the new legislative sentencing  
13 guidelines. The study shall analyze sentencing patterns of  
14 jurisdictions as well as future patterns in order to determine and  
15 quantify the population impact on prisons and jails of the new  
16 guidelines as well as to identify and define felon or crime  
17 characteristics or sentencing guidelines scores that indicate a  
18 felon is a prison diversion. The department shall contract for a  
19 local and statewide study for this purpose and provide periodic  
20 reports regarding the status and findings of the study to the house  
21 and senate appropriations subcommittees on corrections, the house  
22 and senate fiscal agencies, and the state budget director.

23 (5) The department, the Michigan association of counties, and  
24 the Michigan sheriffs' association shall review the periodic  
25 findings of the study required in subsection (4) and, if  
26 appropriate, recommend modification of the criteria for  
27 reimbursement contained in subsection (2). Any recommended

1 modification shall be forwarded to the house and senate  
2 appropriations subcommittees on corrections and the state budget  
3 office.

4 (6) The department shall reimburse counties for offenders in  
5 jail based upon the reimbursement eligibility criteria in place on  
6 the date the offender was originally sentenced for the reimbursable  
7 offense.

8 (7) County jail reimbursement program expenditures shall not  
9 exceed the amount appropriated in part 1 for the county jail  
10 reimbursement program. Payments to counties under the county jail  
11 reimbursement program shall be made in the order in which properly  
12 documented requests for reimbursements are received. A request  
13 shall be considered to be properly documented if it meets MDOC  
14 requirements for documentation. The department shall by October 15,  
15 2006 distribute the documentation requirements to all counties.

16 Sec. 707. (1) As a condition of receipt of the funds  
17 appropriated in part 1 for community corrections plans and services  
18 and probation residential centers, the department shall only award  
19 those funds requested under a properly prepared and approved  
20 comprehensive corrections plan submitted under section 8 of the  
21 community corrections act, 1988 PA 511, MCL 791.408, or directly  
22 applied for under section 10 of the community corrections act, 1988  
23 PA 511, MCL 791.410.

24 (2) The department shall only halt funding for an entity  
25 funded under section 8 of the community corrections act, 1988 PA  
26 511, MCL 791.408, in instances of substantial noncompliance during  
27 the period covered by the plan.

1       Sec. 708. (1) Funds included in part 1 for the felony drunk  
2 driver jail reduction and community treatment program are  
3 appropriated for and may be expended for any of the following  
4 purposes:

5       (a) To increase availability of treatment options to reduce  
6 drunk driving and drunk driving-related deaths by addressing the  
7 alcohol addiction of felony drunk drivers who otherwise likely  
8 would be sentenced to jail or a combination of jail and other  
9 sanctions.

10       (b) To divert from jail sentences or to reduce the length of  
11 jail sentences for felony drunk drivers who otherwise would have  
12 been sentenced to jail and whose recommended minimum sentence  
13 ranges under sentencing guidelines established under chapter XVII  
14 of the code of criminal procedure, 1927 PA 175, MCL 777.1 to  
15 777.69, have upper limits of 18 months or less, through funding  
16 programs that may be used in lieu of incarceration and that  
17 increase the likelihood of rehabilitation.

18       (c) To provide a policy and funding framework to make  
19 additional jail space available for housing convicted felons whose  
20 recommended minimum sentence ranges under sentencing guidelines  
21 established under chapter XVII of the code of criminal procedure,  
22 1927 PA 175, MCL 777.1 to 777.69, have lower limits of 12 months or  
23 less and who likely otherwise would be sentenced to prison, with  
24 the aim of enabling counties to meet or exceed amounts received  
25 through the county jail reimbursement program during fiscal year  
26 2002-2003 and reducing the numbers of felons sentenced to prison.

27       (2) Expenditure of funds included in part 1 for the felony

1 drunk driver jail reduction and community treatment program shall  
2 be by grant awards consistent with standards developed by a  
3 committee of the state community corrections advisory board. The  
4 chairperson of the committee shall be the board member representing  
5 county sheriffs. Remaining members of the committee shall be  
6 appointed by the chairperson of the board.

7 (3) In developing annual standards, the committee shall  
8 consult with interested agencies and associations. Standards  
9 developed by the committee shall include application criteria,  
10 performance objectives and measures, funding allocations, and  
11 allowable uses of the funds, consistent with the purposes specified  
12 in this section.

13 (4) Allowable uses of the funds shall include reimbursing  
14 counties for transportation, treatment costs, and housing felony  
15 drunk drivers during a period of assessment for treatment and case  
16 planning. Reimbursements for housing during the assessment process  
17 shall be at the rate of \$43.50 per day per offender, up to a  
18 maximum of 5 days per offender.

19 (5) The standards developed by the committee shall assign each  
20 county a maximum funding allocation based on the amount the county  
21 received under the county jail reimbursement program in fiscal year  
22 2001-2002 for housing felony drunk drivers whose recommended  
23 minimum sentence ranges under the sentencing guidelines described  
24 in subsection (1)(c) had upper limits of 18 months or less.

25 (6) Awards of funding under this section shall be provided  
26 consistent with the local comprehensive corrections plans developed  
27 under the community corrections act, 1988 PA 511, MCL 791.401 to

1 791.414. Funds awarded under this section may be used in  
2 conjunction with funds awarded under grant programs established  
3 under that act. Due to the need for felony drunk drivers to be  
4 transitioned from county jails to community treatment services, it  
5 is the intent of the legislature that local units of government  
6 utilize funds received under this section to support county sheriff  
7 departments.

8 (7) As used in this section, "felony drunk driver" means a  
9 felon convicted of operating a motor vehicle under the influence of  
10 intoxicating liquor or a controlled substance, or both, third or  
11 subsequent offense, under section 625(9)(c) of the Michigan vehicle  
12 code, 1949 PA 300, MCL 257.625, or its predecessor statute,  
13 punishable as a felony.

14 Sec. 709. (1) By April 1, 2007, the department shall report to  
15 the members of the senate and house appropriations subcommittees on  
16 corrections, the senate and house fiscal agencies, and the state

16 Sec. 901. The department shall not expend funds appropriated  
17 under part 1 for any surgery, procedure, or treatment to provide or  
18 maintain a prisoner's sex change unless it is determined medically  
19 necessary by the chief medical officer of the department.

20 Sec. 902. (1) As a condition of expenditure of the funds  
21 appropriated in part 1, the department shall report to the senate  
22 and house appropriations subcommittees on corrections on January 1,

11 filing of any uncontested claim for service.

12 Sec. 904. (1) The department shall identify and manage  
13 prisoners who abuse the availability of medical services by  
14 obtaining transportation to off-site medical care when unnecessary  
15 or reasonably avoidable. In doing this, the department shall, when  
16 appropriate, consult with off-site medical facilities on how to  
17 accomplish this goal.

18 (2) By April 1, 2007, the department shall report to the

7 explanation of results of the test shall be provided confidentially  
8 to the prisoner prior to release on parole, and if appropriate  
9 based on the test results, the prisoner shall also be provided a  
10 recommendation to seek follow-up medical attention in the  
11 community. The test shall be voluntary; if the prisoner refuses to  
12 be tested, that decision shall not affect parole release,  
13 conditions of parole, or parole supervision.

14 Sec. 907. The department shall ensure that all medications for  
15 a prisoner be transported with that prisoner when the prisoner is  
16 transferred from 1 correctional facility to another.

17 Sec. 908. There are sufficient funds and FTEs appropriated in  
18 part 1 to provide a full complement of nurses for clinical

11 department shall allocate sufficient funds to develop a pilot  
12 children's visitation program. The pilot program shall teach  
13 parenting skills and arrange for day visitation at these facilities  
14 for parents and their children, except for the families of  
15 prisoners convicted of a crime involving criminal sexual conduct in  
16 which the victim was less than 18 years of age or involving child

21      prison facility, unless and until the department utilizes existing  
22      vacant prison beds at the Michigan youth correctional facility  
23      located in Webber Township, Lake County.

10 Sec. 205. (1) A hiring freeze is imposed on the state  
11 classified civil service. State departments and agencies are  
12 prohibited from hiring any new full-time state classified civil  
13 service employees and prohibited from filling any vacant state  
14 classified civil service positions. This hiring freeze does not  
15 apply to internal transfers of classified employees from 1 position  
16 to another within a department.

17 (2) The attorney general and secretary of state may grant  
18 exceptions to the hiring freeze for their respective departments  
19 pursuant to the same criteria that the state budget director is  
20 able to grant exceptions under this subsection. The state budget  
21 director shall grant exceptions to this hiring freeze when the  
22 state budget director believes that the hiring freeze will result  
23 in rendering a state department or agency unable to deliver basic  
24 services, cause loss of revenue to the state, result in the  
25 inability of the state to receive federal funds, or necessitate  
26 additional expenditures that exceed any savings from maintaining a  
27 vacancy. The state budget director shall report quarterly to the

1 chairpersons of the senate and house of representatives standing  
2 committees on appropriations the number of exceptions to the hiring  
3 freeze approved during the previous quarter and the reasons to  
4 justify the exception.

5       Sec. 208. Unless otherwise specified, departments and agencies  
6 receiving appropriations in part 1 shall use the Internet to  
7 fulfill the reporting requirements of this article. This  
8 requirement may include transmission of reports via electronic mail  
9 to the recipients identified for each reporting requirement, or it  
10 may include placement of reports on an Internet or Intranet site.

11       Sec. 209. Funds appropriated in part 1 shall not be used for  
12 the purchase of foreign goods or services, or both, if  
13 competitively priced and of comparable quality American goods or  
14 services, or both, are available. Preference should be given to  
15 goods or services, or both, manufactured or provided by Michigan  
16 businesses if they are competitively priced and of comparable  
17 quality.

18       Sec. 210. The director of each department receiving  
19 appropriations in part 1 shall take all reasonable steps to ensure  
20 businesses in deprived and depressed communities compete for and  
21 perform contracts to provide services or supplies, or both. Each  
22 director shall strongly encourage firms with which the department  
23 contracts to subcontract with certified businesses in depressed and  
24 deprived communities for services, supplies, or both.

25       Sec. 211. Pursuant to section 352 of the management and budget  
26 act, 1984 PA 431, MCL 18.1352, that provides for a transfer of  
27 state general funds into the countercyclical budget and economic

stabilization fund, there is appropriated into the countercyclical budget and economic stabilization fund the sum of \$0.00. The calculation required by section 352 of the management and budget act, 1984 PA 431, MCL 18.1352, is determined as follows:

Michigan personal income (millions) .....	\$335,155	\$349,231
less: transfer payments .....	<u>51,360</u>	<u>54,698</u>
Subtotal .....	283,795	294,533
Divided by: Detroit CPI for 12 months		
ending June 30 .....	1.878	1.937
Equals: Real adjusted Michigan personal		
income .....	\$151,116	\$152,082
Percentage change .....		0.6%
Percentage change in excess of 2% .....	0.1%	0.0%
Multiplied by: estimated GF/GP revenue in		
FY 2005-2006 (millions) .....		8,207.8

Sec. 212. The departments and agencies receiving appropriations in part 1 shall receive and retain copies of all reports funded from appropriations in part 1. Federal and state guidelines for short-term and long-term retention of records shall be followed.

Sec. 213. Funds appropriated in part 1 shall not be used by this state, a department, an agency, or an authority of this state

17 following conditions apply:

18 (a) The travel is required by legal mandate or court order or  
19 for law enforcement purposes.

20 (b) The travel is necessary to protect the health or safety of  
21 Michigan citizens or visitors or to assist other states in similar  
22 circumstances.

23 (c) The travel is necessary to produce budgetary savings or to  
24 increase state revenues, including protecting existing federal  
25 funds or securing additional federal funds.

26 (d) The travel is necessary to comply with federal  
27 requirements.

1 (e) The travel is necessary to secure specialized training for  
2 staff that is not available within this state.

3 (f) The travel is financed entirely by federal or nonstate  
4 funds.

5 (2) If out-of-state travel is necessary but does not meet 1 or  
6 more of the conditions in subsection (1), the state budget director  
7 may grant an exception to allow the travel. Any exceptions granted  
8 by the state budget director shall be reported on a monthly basis  
9 to the senate and house of representatives standing committees on  
10 appropriations.

11 (3) Not later than January 1 of each year, each department

2 restricted revenues, the proportion funded with federal revenues,  
3 and the proportion funded with other revenues.

4 (f) A total of all out-of-state travel funded for the  
5 immediately preceding fiscal year.

6 Sec. 217. General fund appropriations in this article shall  
7 not be expended for items in cases where federal funding is  
8 available for the same expenditures.

9 Sec. 220. Funds appropriated in this article shall not be used  
10 to establish, operate, or administer a payroll deduction plan that  
11 enables classified state employees to make contributions to either

23 that were initiated by the department of attorney general pursuant  
24 to the existing contract between the department of human services,  
25 the prosecuting attorneys association of Michigan, and the

27 earned by the department of attorney general under the agreement

1 after the allowance for reimbursement to the department of attorney

3 fraud cases. It is recognized that the federal funds are earned by  
4 the department of attorney general for its documented progress on  
5 the prosecution of food stamp fraud cases according to the United  
6 States department of agriculture regulations and that once earned  
7 by this state, the funds become state funds.

18 general and may be spent on the representation of the department of  
19 corrections and its officers, employees, and agents, including, but

8 **DEPARTMENT OF CIVIL SERVICE**

9 Sec. 502. (1) All restricted funds shall be assessed a sum not

16 when received and may be expended upon receipt. Any deposits made  
17 under this section and unencumbered funds are restricted revenues  
18 and may be carried over into succeeding fiscal years.

19 Sec. 715. (1) Funds in part 1 for motor vehicle fleet are  
20 appropriated to the department of management and budget for  
21 administration and for the acquisition, lease, operation,  
22 maintenance, repair, replacement, and disposal of state motor

24 (2) The appropriation in part 1 for motor vehicle fleet shall  
25 be funded by revenue from rates charged to principal executive  
26 departments and agencies for utilizing vehicle travel services  
27 provided by the department. Revenue in excess of the amount

1 appropriated in part 1 from the motor transport fund and any  
2 unencumbered funds are restricted revenues and may be carried over  
3 into the succeeding fiscal year.

4 (3) It is the intent of the legislature that the department of  
5 management and budget have the authority to determine the

10 (4) It is the intent of the legislature that the department  
11 will determine the feasibility of using driver record information  
12 upon the issuance of state cars to state employees in order to

17 develop a plan regarding the motor vehicle fleet. The plan shall  
18 include the number of vehicles assigned to, or authorized for use  
19 by, state departments and agencies, efforts to reduce vehicle  
20 expenditures, the number of cars in the motor vehicle fleet, the  
21 number of miles driven by fleet vehicles, and the number of gallons  
22 of fuel consumed by fleet vehicles. The plan shall include a  
23 calculation of the amount of state motor vehicle fuel taxes that  
24 would have been incurred by fleet vehicles if fleet vehicles were  
25 required by law to pay motor fuel taxes. The plan shall include a  
26 description of fleet garage operations, the goods sold and services  
27 provided by the fleet garage, the cost to operate the fleet garage,

1 the number of fleet garage locations, and the number of employees  
2 assigned to each fleet garage. The plan may be adjusted during the  
3 fiscal year based on needs and cost savings to achieve the maximum  
4 value and efficiency from the state motor fleet. Within 60 days

11 agencies for fuel cost increases that exceed \$2.27 per gallon of  
12 unleaded gasoline. Revenues received from these charges are  
13 appropriated upon receipt.

14 Sec. 716. The department of management and budget shall adopt  
15 policies and procedures necessary for compliance by the department,  
16 other state departments and agencies, and state vendors and  
17 subcontractors, with the requirement under subsection (1) of  
18 section 261 of the management and budget act, 1984 PA 431, MCL

19 section 204 of the management and budget act, 1984 PA 431, MCL  
20 18.1204.

21 Sec. 718. The department of management and budget shall  
22 collect from vendors information necessary to comply with the  
23 requirements of this article, as determined by the department. The  
24 department of management and budget may require vendors to provide

15 from the Michigan law enforcement officers memorial monument fund  
16 as provided in the Michigan law enforcement officers memorial act,  
17 2004 PA 177, MCL 28.781 to 28.787.

3 budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the  
4 state building authority, the department may expend from the  
5 general fund of the state during the fiscal year ending September  
6 30, 2007 an amount to meet the cash flow requirements of those  
7 state building authority projects solely for lease to a state  
8 agency identified in both part 1 and this section, and for which  
9 state building authority bonds or notes have not been issued, and  
10 for the sole acquisition by the state building authority of  
11 equipment and furnishings for lease to a state agency as permitted  
12 by 1964 PA 183, MCL 830.411 to 830.425, for which the issuance of  
13 bonds or notes is authorized by a legislative concurrent resolution  
14 that is effective for the fiscal year ending September 30, 2007.  
15 Any general fund advances for which state building authority bonds  
16 have not been issued shall bear an interest cost to the state  
17 building authority at a rate not to exceed that earned by the state  
18 treasurer's common cash fund during the period in which the  
19 advances are outstanding and are repaid to the general fund of the  
20 state.

21           (2) Upon sale of bonds or notes for the projects identified in  
22 part 1 or for equipment as authorized by legislative concurrent  
23 resolution and in this section, the state building authority shall  
24 credit the general fund of the state an amount equal to that  
25 expended from the general fund plus interest, if any, as defined in  
26 this section.

27           (3) For state building authority projects for which bonds or

1 notes have been issued and upon the request of the state building  
2 authority, the state treasurer shall make advances without interest  
3 from the general fund as necessary to meet cash flow requirements  
4 for the projects, which advances shall be reimbursed by the state  
5 building authority when the investments earmarked for the financing  
6 of the projects mature.

7 (4) In the event that a project identified in part 1 is  
8 terminated after final design is complete, advances made on behalf  
9 of the state building authority for the costs of final design shall  
10 be repaid to the general fund in a manner recommended by the  
11 director and approved by the JCOS.

12 Sec. 726. (1) State building authority funding to finance  
13 construction or renovation of a facility that collects revenue in  
14 excess of money required for the operation of that facility shall  
15 not be released to a university or community college unless the  
16 institution agrees to reimburse that excess revenue to the state  
17 building authority. The excess revenue shall be credited to the  
18 general fund to offset rent obligations associated with the  
19 retirement of bonds issued for that facility. The auditor general  
20 shall annually identify and present an audit of those facilities  
21 that are subject to this section. Costs associated with the  
22 administration of the audit shall be charged against money  
23 recovered pursuant to this section.

24 (2) As used in this section, "revenue" includes state  
25 appropriations, facility opening money, other state aid, indirect  
26 cost reimbursement, and other revenue generated by the activities  
27 of the facility.

1       Sec. 727. (1) The state building authority rent appropriations  
2 in part 1 may also be expended for the payment of required premiums  
3 for insurance on facilities owned by the state building authority  
4 or payment of costs that may be incurred as the result of any  
5 deductible provisions in such insurance policies.

6       (2) If the amount appropriated in part 1 for state building  
7 authority rent is not sufficient to pay the rent obligations and  
8 insurance premiums and deductibles identified in subsection (1) for  
9 state building authority projects, there is appropriated from the  
10 general fund of the state the amount necessary to pay such  
11 obligations.

12       Sec. 728. The department of management and budget shall  
13 provide the JCOS and the senate and house fiscal agencies a report  
14 relative to the status of construction projects associated with  
15 state building authority bonds as of September 30 of each year, on  
16 or before October 15, or not more than 30 days after a refinancing  
17 or restructuring bond issue is sold. The report shall include, but  
18 is not limited to, the following:

20 state building authority bonds have been sold, and which bonds are  
21 currently active.

23 of state building authority bonds is pending.

24       (c) A list of all projects authorized for construction or  
25 identified in an appropriations act for which approval of  
26 schematic/preliminary plans or total authorized cost is pending  
27 that have state building authority bonds identified as a source of

1 financing.

 24 government for fiscal year 2006-2007 is \$14,008,900.00. The

7	Total department of history, arts, and libraries .....	\$	14,008,900

8       Sec. 202. The appropriations authorized under this article are  
 9 subject to the management and budget act, 1984 PA 431, MCL 18.1101  
 10 to 18.1594.

11       Sec. 203. As used in this appropriation article:

12       (a) "Department" means the department of history, arts, and  
 13 libraries.

14       (b) "Director" means the director of the department of

6 the 1% charge authorized by section 5 of article XI of the state  
7 constitution of 1963. Payments shall be made for the total amount  
8 of the billing by the end of the second fiscal quarter.

9 Sec. 205. (1) A hiring freeze is imposed on the state  
10 classified civil service. State departments and agencies are  
11 prohibited from hiring any new full-time state classified civil  
12 service employees and prohibited from filling any vacant state  
13 classified civil service positions. This hiring freeze does not  
14 apply to internal transfers of classified employees from 1 position  
15 to another within a department.

16 (2) The state budget director may grant exceptions to this  
17 hiring freeze when the state budget director believes that the  
18 hiring freeze will result in rendering a state department or agency  
19 unable to deliver basic services, cause a loss of revenue to the  
20 state, result in the inability of the state to receive federal  
21 funds, or would necessitate additional expenditures that exceed any  
22 savings from maintaining a vacancy. The state budget director shall  
23 report quarterly to the chairpersons of the senate and house of  
24 representatives standing committees on appropriations the number of  
25 exceptions to the hiring freeze approved during the previous  
26 quarter and the reasons to justify the exception.

27 Sec. 207. At least 60 days before beginning any effort to

2 the subcommittees and the fiscal agencies. The plan shall include  
3 the criteria under which the privatization initiative will be  
4 evaluated. The evaluation shall be completed and submitted to the  
5 fiscal agencies and to the subcommittees within 30 months.

6 Sec. 208. Unless otherwise specified, the department shall use  
7 the Internet to fulfill the reporting requirements of this article.  
8 This requirement may include transmission of reports via electronic  
9 mail to the recipients identified for each reporting requirement,  
10 or it may include placement of reports on an Internet or Intranet  
11 site.

12 Sec. 209. Funds appropriated in part 1 shall not be used for  
13 the purchase of foreign goods or services, or both, if  
14 competitively priced and of comparable quality American goods or  
15 services, or both, are available. Preference should be given to  
16 goods or services, or both, manufactured or provided by Michigan  
17 businesses if they are competitively priced and of comparable  
18 quality.

19 Sec. 213. From the funds appropriated in part 1 for  
20 information technology, departments and agencies shall pay user  
21 fees to the department of information technology for technology  
22 related services and projects. The user fees shall be subject to  
23 provisions of an interagency agreement between the departments and  
24 agencies and the department of information technology.

25 Sec. 214. Amounts appropriated in part 1 for information  
26 technology may be designated as work projects and carried forward  
27 to support technology projects under the direction of the

1 department of information technology. Funds designated in this  
2 manner are not available for expenditure until approved as work  
3 projects under section 451a of the management and budget act, 1984  
4 PA 431, MCL 18.1451a.

5       Sec. 215. (1) The department may provide and enter into  
6 agreements to provide general services, training, meetings,  
7 information, special equipment, software, and facility use, and  
8 technical consulting services to other principal executive  
9 departments, state agencies, local units of government, the  
10 judicial branch of government, other organizations, and patrons of  
11 department facilities. Fees for services shall be reasonably  
12 related to the cost of providing the services and shall be used to  
13 offset the costs of the services. The department may receive and  
14 expend funds in addition to those authorized in part 1 for the  
15 following:

16       (a) Supplying census-related information and technical  
17 services, publications, statistical studies, population projections

9 Sec. 216. (1) A fund known as the history, arts, and libraries  
10 fund is created in the department. The fund shall be used to  
11 receive and expend funds in addition to those authorized in part 1.  
12 The fund balance may be carried forward for expenditure in  
13 subsequent fiscal years.

14 (2) The department shall provide a report to the senate and  
15 house of representatives appropriations subcommittees on history,  
16 arts, and libraries of all revenues to and expenditures from the  
17 history, arts, and libraries fund. The report shall include an  
18 estimated fund balance for the fiscal year ending September 30,  
19 2007. The report is due November 1, 2007.

13 may grant an exception to allow the travel. Any exceptions granted  
14 by the state budget director shall be reported on a monthly basis  
15 to the senate and house of representatives appropriations  
16 committees.

17 (3) Not later than January 1 of each year, each department  
18 shall prepare a travel report listing all travel by classified and  
19 unclassified employees outside this state in the immediately  
20 preceding fiscal year that was funded in whole or in part with  
21 funds appropriated in the department's budget. The report shall be  
22 submitted to the chairs and members of the senate and house of  
23 representatives appropriations committees, the fiscal agencies, and

19 concerning arts and cultural grant requests and shall do all of the  
20 following:

21 (a) Use published criteria to evaluate program quality.

22 (b) Seek to award grants on an equitable geographic basis to  
23 the extent possible given the quality of grant applications  
24 received.

25 (c) Give priority to projects that serve multiple counties,  
26 leverage significant additional public and private investment, or

1 demonstrate a significant potential to increase tourism or attract

6 306, MCL 24.240.

24 recommendations from the department of civil rights and from Native  
25 American organizations to assure that the community services block  
26 grant funds are equitably distributed. The plan must be developed

1 by October 31, 2006, and the plan shall be delivered to the  
2 appropriations subcommittees on the department budget in the senate  
3 and house, the senate and house fiscal agencies, and the state  
4 budget director.

5 Sec. 303. (1) Of the funds appropriated in part 1 for

8 (2) In addition to the money referred to in subsection (1),  
9 the department shall award up to \$500,000.00 to community action  
10 agencies for earned income tax credit (EITC) education and  
11 outreach. Emphasis shall be on clients who have never filed for the  
12 EITC, clients with children, and clients for whom receipt of the  
13 EITC will make it easier for them to move off public assistance.

14 Sec. 304. From funds appropriated in part 1 for demonstration  
15 projects, the department shall expend up to \$78,500.00 in TANF to  
16 fund a school-based crisis intervention demonstration project in

27 demonstration projects, the department shall allocate \$250,000.00

2 Michigan state university school of social work. Funding is  
3 contingent upon the center's reporting of necessary data to the  
4 department to demonstrate TANF or maintenance of effort  
5 eligibility. The center shall submit quarterly reports to the  
6 department detailing expenditures from this appropriation and  
7 reviewing program outcomes including the number of families served

### 13 **ADULT AND FAMILY SERVICES**

14 Sec. 414. Funds appropriated in part 1 for marriage and  
15 fatherhood initiatives are contingent upon receipt of new federal  
16 funding available for marriage and family formation grants. The  
17 department, with the approval of the state budget director, is  
18 authorized to increase federal spending authority for marriage and  
19 fatherhood initiatives if marriage and family formation grants exceed  
20 the spending authority in part 1. This authorization adjustment shall  
21 be made 15 days after notifying the chairs of the senate and house  
22 appropriations subcommittees on the department budget and senate and  
23 house fiscal agencies.

24 Sec. 415. (1) In expending money appropriated in part 1 for

2 independent contractors shall provide at least 10% in matching

5 secure matching funds shall not be excluded from consideration for  
6 the fatherhood program.

7 (2) The department may choose providers that will work with  
8 counties to do 1 or both of the following:

9 (a) Help eligible fathers to acquire skills that will enable  
10 them to increase their responsible behavior toward their children  
11 and the mothers of their children. An increase of financial support  
12 for their children should be a very high priority as well as  
13 emotional support.

14 (b) Support and strengthen marriages. The areas of work may  
15 include, but are not limited to, marital counseling, domestic  
16 violence counseling, family counseling, effective communication,

21 components: promoting responsible, caring, and effective parenting  
22 through counseling; mentoring and parental education; enhancing the  
23 abilities and commitment of unemployed or low-income fathers to  
24 provide material support for their families and to avoid or leave  
25 welfare programs by assisting them to take advantage of job search  
26 programs, job training, and education to improve their work habits  
27 and work skills; improving fathers' ability to effectively manage

1 family business affairs by means such as education, counseling, and  
2 mentoring in household matters; infant care; effective  
3 communication and respect; anger management; children's financial  
4 support; and drug-free lifestyle.

5 (4) A marriage initiative program established under this  
6 section may include, but is not limited to, 1 or more of the  
7 following: public advertising campaigns on the value of marriage  
8 and the skills needed to increase marital stability and health;  
9 education in high schools on the value of marriage, relationship  
10 skills, and budgeting; premarital, marital, family, and domestic  
11 violence counseling; effective communication; marriage mentoring  
12 programs which use married couples as role models and mentors in  
13 at-risk communities; anger management; and parenting skills to  
14 improve the family structure.

15 (5) The department is authorized to make allocations of not  
16 more than 20% per county, under this section.

17 Sec. 418. From the funds appropriated in part 1 for employment  
18 and training support services, the department may expand the  
19 availability of individual development accounts (IDAs) with  
20 \$200,000.00 for allocation to qualified IDA programs established  
21 through the Michigan IDA partnership to serve TANF eligible  
22 households in Michigan. The Michigan IDA partnership shall  
23 encourage each TANF eligible household served to claim the federal  
24 earned income tax credit (EITC) and to incorporate all or part of  
25 any tax credit received in the household's IDA savings plan, and  
26 shall provide the household with information concerning available  
27 free tax assistance resources. In addition, the Michigan IDA

1 partnership and its program sites shall participate in community  
2 EITC coalitions established under the plan to increase the EITC  
3 participation of TANF families referenced in section 666.

4       Sec. 419. The department in collaboration with the Michigan  
5 state university center for urban affairs and its partner  
6 organizations, the Michigan credit union league and the national  
7 federation of community development credit unions, shall further  
8 the work begun in fiscal year 1999-2000 that implemented the  
9 individual development accounts programs in the growing number of  
10 low-income designated credit unions, i.e., community development  
11 credit unions (CDCUs) located in this state's poorest communities.  
12 This further work will extend capacity-building and technical  
13 assistance services to existing and emerging CDCUs serving low-  
14 income populations and will include:

15       (a) Creation of a Michigan-based support system for the  
16 capacity-building of existing and emerging CDCUs serving low-income  
17 individuals and families, including development and testing of  
18 training, technical assistance, and professional development  
19 initiatives and related materials, and other capacity-building  
20 services to Michigan CDCUs.

21       (b) Other related support to assist existing and emerging

23 impoverished Michigan residents in becoming economically  
24 independent.

25       (c) Training and technical assistance to CDCUs in the  
26 development of support services, such as economic literacy, credit

6       Sec. 421. The department shall allow private nationally  
7 accredited foster care and adoption agencies to conduct their own  
8 staff training, based on current department policies and procedures  
9 provided that the agency trainer and training materials are  
10 accredited by the department, and that the agency documents to the  
11 department that the training was provided. The department shall  
12 provide access to any training materials requested by the private  
13 agencies to facilitate this training. The intent of the legislature  
14 is to reduce training and travel costs for both the department and  
15 the private agencies.

16       Sec. 423. (1) From the money appropriated in part 1 for food  
17 for the elderly, the department shall allocate money to assist the  
18 state's elderly population to participate in the food assistance  
19 program. The money may be used as state matching funds to acquire  
20 available United States department of agriculture funding to  
21 provide outreach program activities, such as eligibility screening  
22 and information services, as part of a statewide food stamp  
23 helpline.

24       (2) The department may accept any private money that may be  
25 donated to the department to support food stamp outreach efforts in  
26 this state. The department shall request a waiver from the United  
27 States department of agriculture to permit the donated private

1 money to be used as a match to obtain additional federal food stamp  
2 outreach funds from the United States department of agriculture.  
3 The department shall use both the private donated money and any  
4 federal match funds that may be available as a result of the  
5 donated money to contract for additional outreach services as

15 During fiscal year 2006-2007, not more than 3,000 children  
16 supervised by the department shall remain in foster care longer  
17 than 24 months. The department shall give priority to reducing the  
18 number of children under 1 year of age in foster care. During the  
19 annual budget presentation, the department shall report on the

14 only in the current fiscal year but shall include revenues  
15 collected during the fiscal year in excess of the amount specified  
16 in part 1.

17 Sec. 508. (1) In addition to the amount appropriated in part 1

25 department may invoice the state agency for shared costs of a joint  
26 project in an amount authorized by the state agency, and the state  
27 child abuse and neglect prevention board may receive and expend

7 neglect prevention board.

8 Sec. 509. (1) From the funds appropriated in part 1, the

15 (2) The department shall submit a report by February 1 of each  
16 year on the number of children who were newly placed in out-of-

5 continue to review policies, practices, and procedures involving  
6 the annual licensing review and the annual contract compliance  
7 review conducted by the department regarding child placing agencies  
8 and child caring institutions. The review shall include efforts to  
9 identify duplication of staff activities and information sought  
10 from child placing agencies and child caring institutions in the  
11 annual review process.

12 (2) The department shall develop a streamlined licensing  
13 contract compliance review process where possible, including  
14 potential for utilizing deeming status for nationally accredited  
15 agencies. The department shall report to the senate and house  
16 appropriations subcommittees on the department budget, the senate

25 payments to private nonprofit child placing facilities to improve  
26 speed and accuracy of payments.

27 Sec. 536. The department shall not implement a geographically

2 the best interests of the foster children.

3       Sec. 537. (1) The department shall offer private nonprofit  
4 licensed agencies the first opportunity to provide foster care  
5 services for new foster children entering the system in a county  
6 when the department's direct care caseload for foster care is  
7 greater than 20 cases per foster care worker. This section only  
8 applies if the private nonprofit licensed agency has an available  
9 placement at the time the child needs to be placed, the placement  
10 is not contrary to the best interests of the child or the child's  
11 siblings, and the private nonprofit licensed agency has a direct  
12 care caseload for foster care that is no greater than 20 cases per  
13 foster care caseworker.

14       (2) The department, in conjunction with private child placing  
15 agencies, shall develop a methodology for measuring goals,  
16 objectives, and performance standards for the delivery of foster  
17 care and adoption services. These goals, objectives, and  
18 performance standards shall apply to both public and private  
19 delivery of child welfare services, and data shall be collected  
20 from both private and public child welfare programs that can be  
21 used to evaluate performance achievements, including, but not  
22 limited to, the following:

7 agencies, shall develop a strategy for implementing the

16 abused, neglected, or delinquent and for whom residential treatment  
17 is required. The department and the representatives from the  
18 private nonprofit child placing agencies shall focus on statewide  
19 placement criteria to address the best interest of the child in  
20 need of services. The placement criteria shall include a continuum  
21 of care settings and options as appropriate for each child and his  
22 or her needs at specific times, including home placements, relative  
23 placements, shelter placements, and other options.

24 Sec. 544. The department shall consider approval of pilot  
25 projects with applications pending for accelerated residential  
26 treatment.

3 (2) The department shall report to the senate and house  
4 appropriations subcommittees for the department budget on the  
5 number of new specialized foster care programs required under  
6 section 545(3) of 2004 PA 344 not later than January 15, 2007. If  
7 no new specialized foster care programs have been authorized, the  
8 department shall provide an explanation, a list of all applicants  
9 who applied but were denied, and a strategic plan to provide for  
10 new specialized foster care programs.

11 (3) The department shall use money appropriated in part 1 for  
12 foster care payments and Wayne County foster care payments to  
13 reduce rate disparities between providers of similar services in  
14 different geographic areas and to serve as demonstration projects  
15 for further efforts in reducing these disparities in future years.

16 Sec. 548. During the annual budget presentation to the house  
17 and senate appropriations subcommittees on the department budget,  
18 the department shall report on progress in implementing the  
19 recommendations of the task force that studied the disproportionate

23 department.

24 Sec. 549. The department shall meet with personnel employed by  
25 the office of the children's ombudsman and the state court  
26 administrative office's foster care review board to investigate  
27 streamlining the oversight process for child welfare services. The

1 intent of the legislature is to ensure appropriate and adequate  
2 oversight while reducing duplication and redundancy between  
3 government offices.

4 Sec. 550. (1) The department shall develop, in cooperation  
5 with the department of community health or other appropriate  
6 medical or health experts, materials for distribution to foster  
7 care parents and families on the health risks to children from use  
8 of tobacco and secondhand smoke.

9 (2) The department, using public and private resources, shall  
10 implement a pilot program to offer foster care parents nicotine  
11 patches or other smoking cessation products to reduce the health  
12 risk to foster children.

13 (3) The department shall report to the senate and house  
14 appropriations subcommittees for the department budget on the  
15 results of the pilot program implemented under subsection (2) not  
16 later than September 30, 2007.

20 children in foster homes where parents smoke, the subsequent health  
21 costs incurred, and what the impact would be on foster care  
22 recruitment if being a nonsmoker was a requirement for foster  
23 parenting.

24 Sec. 552. (1) The director of the department shall convene a

7 services delivery.

8 (d) Identify potential available public and private resources  
9 and services.

10 (e) Develop a plan to ensure that all current public and  
11 private resources and services are effectively organized and  
12 available.

13 (f) Recommend actions to enhance services.

14 (2) The director of the department shall seek participation on  
15 the task force created under subsection (1) from all of the

22 described in subdivision (a) that were approved.

23 Sec. 558. The department shall submit a report to the

1 received by the department challenging the amount of the adoption

7 alleging that an adoption subsidy amount was reduced without the  
8 consent of the adoptive parent.

10 alleging that a request for an increase in an adoption subsidy  
11 amount was denied based on a means test or similar test.

13 child is still in the custody of the adoptive parent, but no longer  
14 in the physical care of that adoptive parent.

16 law, department rules, or department policy, and the provisions of  
17 title IV-E, the provisions of title IV-E prevail.

18 Sec. 560. Of the amount appropriated in section 108 of part 1  
19 for contractual services, supplies, and materials, the department  
20 shall expend an amount to equip all current and new child  
21 protective services workers with digital audio/video recorders. All  
22 district offices shall have at least 1 digital audio/video  
23 recorder. All current and future child protective services workers  
24 shall be trained in the use of the digital audio/video recorders.  
25 Child protective services workers shall use digital audio/video  
26 recorders during their investigations if a public safety officer is  
27 not present. It is the intent of the legislature that the use of

1 these recorders will safeguard the information discovered during an  
2 investigation for future use in judicial procedures, documentation  
3 of child abuse and neglect, and removal of children from a home.

4 Sec. 561. In making expenditures from the appropriations in  
5 part 1, the department shall give preference to children's advocacy  
6 agencies that provide a coordinated investigation and comprehensive  
7 response to child abuse when granting contracts for child abuse  
8 services. These agencies shall provide a multidisciplinary team  
9 approach for responding to child abuse allegations. The  
10 multidisciplinary team should include representation from the  
11 children's advocacy agency, law enforcement, child protective  
12 services, prosecuting attorneys, mental health agencies, medical  
13 professionals, and victim advocacy.

14 Sec. 562. The department may consider allowing a county or  
15 counties to submit claims for federal title IV-E foster care  
16 funding for placements in secure residential facilities when a  
17 county or counties can demonstrate that the reason for the secure  
18 placement is a diagnosed medical necessity and not public  
19 protection.

## 20 PUBLIC ASSISTANCE

21 Sec. 601. (1) The department may terminate a vendor payment  
22 for shelter upon written notice from the appropriate local unit of  
23 government that a recipient's rental unit is not in compliance with  
24 applicable local housing codes or when the landlord is delinquent  
25 on property tax payments. A landlord shall be considered to be in  
26 compliance with local housing codes when the department receives

1 from the landlord a signed statement stating that the rental unit  
2 is in compliance with local housing codes and that statement is not  
3 contradicted by the recipient and the local housing authority. The  
4 department shall terminate vendor payments if a taxing authority  
5 notifies the department that taxes are delinquent.

6 (2) Whenever a client agrees to the release of his or her name  
7 and address to the local housing authority, the department shall  
8 request from the local housing authority information regarding  
9 whether the housing unit for which vendoring has been requested  
10 meets applicable local housing codes. Vendoring shall be terminated  
11 for those units that the local authority indicates in writing do  
12 not meet local housing codes until such time as the local authority  
13 indicates in writing that local housing codes have been met.

14 (3) In order to participate in the rent vendoring programs of  
15 the department, a landlord shall cooperate in weatherization and  
16 conservation efforts directed by the department or by an energy  
17 provider participating in an agreement with the department when the  
18 landlord's property has been identified as needing services.

19 Sec. 603. (1) The department, as it determines is appropriate,  
20 shall enter into agreements with energy providers by which cash  
21 assistance recipients and the energy providers agree to permit the  
22 department to make direct payments to the energy providers on  
23 behalf of the recipient. The payments may include heat and electric  
24 payment requirements from recipient grants and amounts in excess of  
25 the payment requirements.

26 (2) The department shall establish caps for natural gas, wood,  
27 electric heat service, deliverable fuel heat services, and for

1 electric service based on available federal funds.

2 (3) The department shall review and adjust the standard  
3 utility allowance for the state food assistance program to ensure  
4 that it reflects current energy costs in the state.

5 Sec. 604. (1) The department shall operate a state disability  
6 assistance program. Except as provided in subsection (3), persons  
7 eligible for this program shall include needy citizens of the  
8 United States or aliens exempted from the supplemental security  
9 income citizenship requirement who are at least 18 years of age or  
10 emancipated minors meeting 1 or more of the following requirements:

11 (a) A recipient of supplemental security income, social  
12 security, or medical assistance due to disability or 65 years of  
13 age or older.

14 (b) A person with a physical or mental impairment which meets  
15 federal supplemental security income disability standards, except  
16 that the minimum duration of the disability shall be 90 days.  
17 Substance abuse alone is not defined as a basis for eligibility.

18 (c) A resident of an adult foster care facility, a home for  
19 the aged, a county infirmary, or a substance abuse treatment  
20 center.

21 (d) A person receiving 30-day postresidential substance abuse  
22 treatment.

23 (e) A person diagnosed as having acquired immunodeficiency  
24 syndrome.

25 (f) A person receiving special education services through the  
26 local intermediate school district.

27 (g) A caretaker of a disabled person as defined in subdivision

1 (a), (b), (e), or (f) above.

2 (2) Applicants for and recipients of the state disability  
3 assistance program shall be considered needy if they:

4 (a) Meet the same asset test as is applied to applicants for  
5 the family independence program.

6 (b) Have a monthly budgetable income that is less than the  
7 payment standards.

8 (3) Except for a person described in subsection (1)(c) or (d),  
9 a person is not disabled for purposes of this section if his or her  
10 drug addiction or alcoholism is a contributing factor material to  
11 the determination of disability. "Material to the determination of  
12 disability" means that, if the person stopped using drugs or  
13 alcohol, his or her remaining physical or mental limitations would  
14 not be disabling. If his or her remaining physical or mental  
15 limitations would be disabling, then the drug addiction or  
16 alcoholism is not material to the determination of disability and  
17 the person may receive state disability assistance. Such a person  
18 must actively participate in a substance abuse treatment program,  
19 and the assistance must be paid to a third party or through vendor  
20 payments. For purposes of this section, substance abuse treatment  
21 includes receipt of inpatient or outpatient services or  
22 participation in alcoholics anonymous or a similar program.

23 (4) A refugee or asylee who loses his or her eligibility for  
24 the federal supplemental security income program by virtue of  
25 exceeding the maximum time limit for eligibility as delineated in 8  
26 USC 1612 and who otherwise meets the eligibility criteria under  
27 this section shall be eligible to receive benefits under the state

1 disability assistance program.

2       Sec. 605. The level of reimbursement provided to state  
3 disability assistance recipients in licensed adult foster care  
4 facilities shall be the same as the prevailing supplemental  
5 security income rate under the personal care category.

6       Sec. 606. County department offices shall require each  
7 recipient of state disability assistance who has applied with the  
8 social security administration for supplemental security income to  
9 sign a contract to repay any assistance rendered through the state  
10 disability assistance program upon receipt of retroactive  
11 supplemental security income benefits.

12       Sec. 607. The department's ability to satisfy appropriation  
13 deductions in part 1 for state disability assistance/supplemental  
14 security income recoveries and public assistance recoupment  
15 revenues shall not be limited to recoveries and accruals pertaining  
16 to state disability assistance, or family independence assistance  
17 grant payments provided only in the current fiscal year, but shall  
18 include all related net recoveries received during the current  
19 fiscal year.

20       Sec. 608. Adult foster care facilities providing domiciliary  
21 care or personal care to residents receiving supplemental security  
22 income or homes for the aged serving residents receiving  
23 supplemental security income shall not require those residents to  
24 reimburse the home or facility for care at rates in excess of those  
25 legislatively authorized. To the extent permitted by federal law,  
26 adult foster care facilities and homes for the aged serving  
27 residents receiving supplemental security income shall not be

1 prohibited from accepting third-party payments in addition to  
2 supplemental security income provided that the payments are not for  
3 food, clothing, shelter, or result in a reduction in the  
4 recipient's supplemental security income payment.

5 Sec. 609. The state supplementation level under the  
6 supplemental security income program for the personal care/adult  
7 foster care and home for the aged categories shall not be reduced  
8 during the fiscal year beginning October 1, 2006 and ending  
9 September 30, 2007.

10 Sec. 610. In developing good cause criteria for the state  
11 emergency relief program, the department shall grant exemptions if  
12 the emergency resulted from unexpected expenses related to  
13 maintaining or securing employment.

14 Sec. 611. (1) The department shall not require providers of  
15 burial services to accept state payment for indigent burials as  
16 payments in full. Each provider shall be permitted to collect  
17 additional payment from relatives or other persons on behalf of the  
18 deceased. The total in additional payments shall not exceed  
19 \$2,600.00.

20 (2) Any additional payment collected pursuant to subsection  
21 (1) shall not increase the maximum charge limit for state payment  
22 as established by law.

23 Sec. 612. For purposes of determining housing affordability  
24 eligibility for state emergency relief, a group is considered to  
25 have sufficient income to meet ongoing housing expenses if their  
26 total housing obligation does not exceed 75% of their total net  
27 income.

1       Sec. 613. From the funds appropriated in part 1 for state  
2 emergency relief, the maximum allowable charge limit for indigent  
3 burials shall be \$909.00. The funds shall be distributed as  
4 follows: \$579.00 for funeral directors; \$192.00 for cemeteries or  
5 crematoriums; and \$138.00 for the provider of the vault.

6       Sec. 614. The funds available in part 1 for burial services  
7 shall be available if the deceased was an eligible recipient and an  
8 application for emergency relief funds was made within 10 days of  
9 the burial or cremation of the deceased person. Each provider of  
10 burial services shall be paid directly by the department.

11       Sec. 615. Except as required by federal law or regulations,  
12 funds appropriated in part 1 shall not be used to provide public  
13 assistance to a person who is an illegal alien. This section shall  
14 not prohibit the department from entering into contracts with food  
15 banks or emergency shelter providers who may, as a normal part of  
16 doing business, provide food or emergency shelter to individuals.

17       Sec. 617. In operating the family independence program with  
18 funds appropriated in part 1, the department shall not approve as a  
19 minor parent's adult supervised household a living arrangement in  
20 which the minor parent lives with his or her partner as the  
21 supervising adult.

22       Sec. 618. The department may only reduce, terminate, or  
23 suspend assistance provided under the social welfare act, 1939 PA  
24 280, MCL 400.1 to 400.119b, without prior notice in 1 or more of  
25 the following situations:

1 independence assistance group has died.

2 (c) A recipient child is removed from his or her family home  
3 by court action.

4 (d) A recipient requests in writing that his or her assistance  
5 be reduced, terminated, or suspended.

6 (e) A recipient has been approved to receive assistance in  
7 another state.

9 automatic grant adjustments for classes of recipients.

10 (g) The only eligible recipient in the household has been  
11 incarcerated.

12 (h) A recipient is no longer a Michigan resident.

13 (i) A recipient is closed on 1 case to be activated on  
14 another.

15 (j) Federal payments (other than RSDI, railroad retirement, or  
16 VA) to the group have begun or increased.

17 (k) A recipient is disqualified for intentional program  
18 violation.

19 (l) When the department's negative action is upheld in an  
20 administrative hearing.

21 Sec. 619. The department shall exempt from the denial of title  
22 IV-A assistance and food assistance benefits, contained in 21 USC  
23 862a, any individual who has been convicted of a felony that  
24 included the possession, use, or distribution of a controlled  
25 substance, after August 22, 1996, provided that the individual is  
26 not in violation of his or her probation or parole requirements.  
27 Benefits shall be provided to such individuals as follows:

1 (a) A third-party payee or vendor shall be required for any  
2 cash benefits provided.

3 (b) An authorized representative shall be required for food  
4 assistance receipt.

5 Sec. 620. The department with the approval of the state budget  
6 director is authorized to increase federal spending authority for  
7 food assistance program benefits if projected caseload spending  
8 will exceed the spending authority in part 1. This authorization  
9 adjustment shall be made 15 days after notifying the chairs of the  
10 house and senate appropriations subcommittees on the department  
11 budget and house and senate fiscal agencies.

12 Sec. 621. Funds appropriated in part 1 may be used to support  
13 multicultural assimilation and support services. The department  
14 shall distribute all of the funds described in this section based  
15 on assessed community needs.

16 Sec. 627. (1) From the funds appropriated in part 1 for day  
17 care services, the department may contract to administer an amount  
18 not to exceed \$1,350,000.00 for the "enhance quality improvement  
19 program" (EQUIP) grants. A priority for the expenditure of EQUIP  
20 funds shall be given to providers to expand access to child care,  
21 specifically 24-hour care, care for children of parents working  
22 evening or night shifts, and weekend care. A child care program  
23 shall not be eligible for an EQUIP grant unless 25% or more of its  
24 clients receive day care payments from the department.

25 (2) From the funds appropriated in part 1 for day care  
26 services, the department may establish an additional fund of at  
27 least \$350,000.00 for a grant pool for an "enhance quality

1 improvement program" (EQUIP) specifically to establish new family  
2 and group home day care providers.

3 Sec. 631. The department shall maintain policies and  
4 procedures to achieve all of the following:

5 (a) The identification of individuals on entry into the system  
6 who have a history of domestic violence, while maintaining the  
7 confidentiality of that information.

8 (b) Referral of persons so identified to counseling and  
9 supportive services.

10 (c) In accordance with a determination of good cause, the  
11 waiving of certain requirements of family independence programs  
12 where compliance with those requirements would make it more  
13 difficult for the individual to escape domestic violence or would  
14 unfairly penalize individuals who have been victims of domestic  
15 violence or who are at risk of further domestic violence.

16 Sec. 635. Within 6 business days of receiving all information  
17 necessary to process an application for payments for child day  
18 care, the department shall determine whether the child day care  
19 provider to whom the payments, if approved, would be made, is  
20 listed on the child abuse and neglect central registry. If the  
21 provider is listed on the central registry, the department shall  
22 immediately send written notice denying the applicant's request for  
23 child day care payments.

24 Sec. 640. (1) From the funds appropriated in part 1 for day  
25 care services, the department may continue to provide infant and  
26 toddler incentive payments to child day care providers serving  
27 children from 0 to 2-1/2 years of age who meet licensing or

1 training requirements.

2 (2) The use of the funds under this section should not be  
3 considered an ongoing commitment of funding.

4 Sec. 641. In collaboration with Central Michigan University,  
5 the department shall develop and disseminate read, educate, and  
6 develop youth (R.E.A.D.Y.) kits to parents of preschool and  
7 kindergarten children to provide these parents with information  
8 about how they can prepare their children for reading success.

9 Sec. 643. As a condition of receipt of federal TANF funds,  
10 homeless shelters shall collaborate with the department to obtain  
11 necessary TANF eligibility information on families as soon as  
12 possible after admitting a family to the homeless shelter. From the  
13 funds appropriated in part 1 for homeless shelter contracts, the  
14 department is authorized to make allocations of TANF funds only to  
15 the agencies that report necessary data to the department for the  
16 purpose of meeting TANF eligibility reporting requirements.  
17 Homeless shelters that do not report necessary data to the  
18 department for the purpose of meeting TANF eligibility reporting  
19 requirements will not receive reimbursements which exceed the per  
20 diem amount they received in fiscal year 2000. The use of TANF  
21 funds under this section should not be considered an ongoing  
22 commitment of funding.

23 Sec. 645. An individual or family is considered homeless, for  
24 purposes of eligibility for state emergency relief, if living  
25 temporarily with others in order to escape domestic violence. For  
26 purposes of this section, domestic violence is defined and verified  
27 in the same manner as in the department's policies on good cause

1 for not cooperating with child support and paternity requirements.

2 Sec. 648. (1) Beginning December 31, 2006, if the department  
3 has determined that an individual is eligible to participate in the  
4 work first program, family independence program assistance shall be  
5 paid to that individual's program group for not longer than a  
6 cumulative total of 48 months after the establishment of the  
7 state's temporary assistance for needy families program on October  
8 1, 1996. Any month in which the unemployment rate in the county in  
9 which the individual resides is higher than 10% shall not be  
10 counted toward the cumulative total of 48 months for family  
11 independence program assistance. Any month in which all adult  
12 recipients in the program group are temporarily exempted from work  
13 first participation shall not be counted toward the cumulative  
14 total of 48 months for family independence program assistance.

15 (2) If the department determines that an individual is  
16 eligible to participate in the work first program, family  
17 independence program assistance shall not be paid to that  
18 individual's program group for longer than 24 consecutive months  
19 during any period starting with the first payment received after  
20 December 31, 2006 or after the completion of the individual's  
21 personal responsibility plan and personal work plan, whichever is  
22 earlier. Once assistance is suspended under this subsection, the  
23 individual shall remain ineligible for further assistance for a  
24 period of 12 months.

25 (3) Nothing in this section prevents the department from  
26 providing family independence program assistance to program groups  
27 in which adult recipients are determined to be exempt under section

1 57f(3) or 56i(1)(c) of the social welfare act, 1939 PA 280, MCL  
2 400.57f and 400.56i.

3 Sec. 649. (1) If a family independence program assistance  
4 recipient does not meet the recipient's personal responsibility  
5 plan or personal work plan requirements, the department shall  
6 impose a penalty.

7 (2) The department shall implement a schedule of sanctions for  
8 instances of noncompliance as described in this subsection. After  
9 termination of family independence program assistance, the penalty  
10 shall be as follows:

11 (a) For the first instance of noncompliance, the recipient's  
12 program group is ineligible for family independence program  
13 assistance for not less than 3 calendar months.

14 (b) For the second instance of noncompliance, the recipient's  
15 program group is ineligible for family independence program  
16 assistance for not less than 3 calendar months.

17 (c) For a third instance of noncompliance, the recipient's  
18 program group is ineligible for family independence program  
19 assistance for not less than 12 calendar months.

20 (d) For a fourth instance of noncompliance, the recipient's  
21 group is permanently ineligible for family independence program  
22 assistance.

23 (3) For the first, second, and third instances of  
24 noncompliance resulting in termination of family independence  
25 assistance for any period of time, both of the following apply:

26 (a) Family independence program assistance may be approved to  
27 begin at the conclusion of the sanction period if the recipient

1 attends a joint meeting with his or her family independence  
2 specialist caseworker and work first program caseworker and  
3 develops an approved corrective action plan. The meeting shall  
4 include a discussion and official warning regarding sanctions that  
5 may be imposed for future instances of noncompliance.

6 (b) The period of time the recipient is ineligible to receive  
7 family independence program assistance applies toward the  
8 recipient's 48-month cumulative total established in section 648.

9 Sec. 650. From the funds appropriated in part 1 for family  
10 independence program, in calculating family assistance monthly  
11 benefit amounts, the department shall disregard earned income from  
12 the amount subtracted from a program group's payment standard in  
13 accordance with the following provisions:

14 (a) For program groups in which all adults are exempt from the  
15 work first program, the department shall disregard the first  
16 \$200.00 of earned income plus 20% of any remaining earned income.

17 (b) For program groups that contain an adult not exempt from  
18 the work first program and that are meeting the relevant federal  
19 work participation requirement, the department shall disregard the  
20 first \$200.00 of earned income plus 20% of any remaining earned  
21 income.

22 (c) For program groups that contain an adult not exempt from  
23 the work first program but that are not meeting the relevant  
24 federal work participation requirement, the department shall  
25 disregard 20% of any earned income.

26 Sec. 651. All adult family independence program assistance  
27 recipients exempt from the work first program requirements on the

1 basis of incapacitation as referenced in section 57f(3)(f)(ii) of  
2 the social welfare act, 1939 PA 280, MCL 400.57f, but who have not  
3 yet qualified for federal supplemental security income assistance  
4 shall be referred to a Michigan works agency that will refer the  
5 recipient to a community-based organization with demonstrated  
6 ability of providing vocational rehabilitation and evaluation  
7 services for persons with disabilities for further assessment.  
8 Based on this assessment, recipients shall be categorized as 1 of  
9 the following:

10 (a) Able to participate in outside work.

11 (b) Able to participate in work with some support. The  
12 department shall contract with a qualified community-based  
13 organization to provide employment and rehabilitation services for  
14 these individuals.

15 (c) Likely eligible for federal supplemental security income.  
16 These individuals will be referred to the legal services  
17 association of Michigan for SSI advocacy assistance. The department  
18 shall contract with the legal services association of Michigan for  
19 SSI advocacy services at a cost not to exceed \$650.00 per case.  
20 Contract funding shall be outcomes-based, with not more than  
21 \$350.00 provided upon referral and not more than \$300.00 paid based  
22 upon successfully gaining SSI eligibility for the applicant.

23 Sec. 651a. The department shall submit a report to the house  
24 and senate appropriations subcommittees on the department budget,  
25 the house and senate fiscal agencies, the house and senate policy  
26 offices, and the state budget office by October 15, 2006 on the  
27 results of the department's assessments of family independence

1 program clients exempted from work first due to a claimed  
 2 disability. The report shall outline the number of clients who  
 3 were:

4 (a) Determined work ready and referred to the work first  
 5 program.

6 (b) Determined work ready with additional support and referred  
 7 to a qualified community-based organization for further assessment  
 8 and employment and rehabilitation services.

9 (c) Determined likely to be eligible for federal SSI  
 10 assistance and referred to legal services association.

11 Sec. 652. (1) In determining a program group's family  
 12 independence program assistance monthly payment standard, the  
 13 department shall not take into consideration in calculating the  
 14 payment standard the geographical area or shelter area in which the  
 15 program group resides. The department shall not adjust a program  
 16 group's family independence program assistance payment standard  
 17 based on whether a recipient is exempt from the work first program  
 18 requirements.

19 (2) The family independence program assistance monthly payment  
 20 standard for households in which only eligible children are counted  
 21 in determining family size or in which the grantee is receiving  
 22 supplemental security income shall be paid at an amount not to  
 23 exceed the amount per family size listed as follows:

24	Family Size	Grant Level
25	1	\$137.00
26	2	\$266.00
27	3	\$411.00

1	4	\$548.00
2	5	\$689.00
3	6	\$828.00
4	7	\$910.00

5 (3) For all other individuals eligible to receive family  
6 independence program assistance who are not described under  
7 subsection (2), the family independence program assistance monthly  
8 payment standard shall be paid at an amount not to exceed the  
9 amount per family size listed as follows:

10	Family Size	Grant Level
11	1	\$276.00
12	2	\$371.00
13	3	\$459.00
14	4	\$563.00
15	5	\$659.00
16	6	\$792.00
17	7	\$868.00

18 (4) For the purposes of determining the payment standard under  
19 subsections (2) and (3), for a family of 8 or more the payment  
20 standard is increased by \$79.00 for each additional family member  
21 over 7.

22 Sec. 653. From the funds appropriated in part 1 for food  
23 assistance, an individual who is the victim of domestic violence  
24 and does not qualify for any other exemption may be exempt from the  
25 3-month in 36-month limit on receiving food assistance under 7 USC  
26 2015. This exemption can be extended an additional 3 months upon  
27 demonstration of continuing need.

1           Sec. 657. (1) The department shall fund a statewide before- or  
2 after-school program to provide youth with a safe, engaging  
3 environment to motivate and inspire learning outside the  
4 traditional classroom setting. Before- or after-school program  
5 eligibility is limited to geographic areas near school buildings  
6 that do not meet federal no child left behind annual yearly  
7 progress (AYP) requirements and that include the before- or after-  
8 school programs in the AYP plans as a means to improve outcomes.  
9 Before-school programs are limited to elementary school-aged  
10 children. Effective before- or after-school programs combine  
11 academic, enrichment, and recreation activities to guide learning  
12 and inspire children and youth in various activities. The before-  
13 or after-school programs can meet the needs of the communities  
14 served by the programs.

15           (2) The department shall work in collaboration with  
16 independent contractors to put into practice a program establishing  
17 quality before- or after-school programs for children in  
18 kindergarten to ninth grades. In order for an independent  
19 contractor to receive TANF funds, a child served must be a member  
20 of a family with an income that does not exceed 200% of the federal  
21 poverty guidelines published by the United States department of  
22 health and human services.

23           (3) The department shall, through a competitive bid process,  
24 provide grants or contracts up to \$5,000,000.00 in TANF funds for  
25 the program based on community needs. A county shall receive no  
26 more than 20% of the funds appropriated in part 1 for this program.  
27 From the funds appropriated in part 1 for before- or after-school

1 programs within day care services, the department is authorized to  
2 make allocations of funds only to the agencies that report  
3 necessary data to the department for the purpose of meeting TANF  
4 and maintenance of effort eligibility reporting requirements. The  
5 use of funds under this section should not be considered an ongoing  
6 commitment of funding.

7 (4) The before- or after-school programs shall include  
8 academic assistance, including assistance with reading and writing,  
9 and at least 3 of the following topics:

10 (a) Abstinence-based pregnancy prevention.

11 (b) Chemical abuse and dependency including nonmedical  
12 services.

13 (c) Gang violence prevention.

14 (d) Preparation toward future self-sufficiency.

15 (e) Leadership development.

16 (f) Case management or mentoring.

17 (g) Parental involvement.

18 (h) Anger management.

19 (5) The department may enter into grants or contracts with  
20 independent contractors including, but not limited to, faith-based  
21 organizations, boys or girls clubs, schools, or nonprofit  
22 organizations. The department shall grant priority in funding  
23 independent contractors who secure at least 25% in matching funds.  
24 The matching funds may either be fulfilled through local, state, or  
25 federal funds, and/or through in-kind or other donations.

26 (6) A referral to a program may be made by, but is not limited  
27 to, any of the following: a teacher, counselor, parent, police

1 officer, judge, or social worker.

2 (7) By January 30, 2007, the department before- or after-  
3 school program expenditures shall be audited and the department  
4 shall work in collaboration with independent contractors to provide  
5 a report on the before- or after-school program to the senate and  
6 house standing committees dealing with human services, the senate  
7 and house appropriations subcommittees for the department budget,  
8 the senate and house fiscal agencies, and the senate and house  
9 policy offices. The report shall include the number of participants  
10 and the average cost per participant, as well as changes noted in  
11 program participants in any of the following categories:

- 12 (a) Juvenile crime.
- 13 (b) Aggressive behavior.
- 14 (c) Academic achievement.
- 15 (d) Development of new skills and interests.
- 16 (e) School attendance and dropout rates.
- 17 (f) Behavioral changes in school.

18 Sec. 658. From the funds appropriated in part 1 for day care  
19 services, \$100,000.00 in TANF funds shall be allocated to Grand  
20 Rapids youth commonwealth to support after-school and summer  
21 programs at camp O'Malley. As a condition for receiving funds,  
22 Grand Rapids youth commonwealth shall comply with all policies and  
23 reporting requirements placed on recipients of before- and after-  
24 school grants awarded under section 657.

25 Sec. 660. From the funds appropriated in part 1 for food bank  
26 funding, the department is authorized to make allocations of TANF  
27 funds only to the agencies that report necessary data to the

1 department for the purpose of meeting TANF eligibility reporting  
2 requirements. The agencies that do not report necessary data to the  
3 department for the purpose of meeting TANF eligibility reporting  
4 requirements will not receive allocations in excess of those  
5 received in fiscal year 2000. The use of TANF funds under this  
6 section should not be considered an ongoing commitment of funding.

7       Sec. 665. The department shall partner with the department of  
8 transportation to use TANF and other sources of available funding  
9 to support public transportation needs of TANF-eligible  
10 individuals. This partnership shall place a priority on  
11 transportation needs for employment or seeking employment or  
12 medical or health-related transportation.

13       Sec. 666. The department shall continue efforts to increase  
14 the participation of eligible family independence program  
15 recipients in the federal earned income tax credit.

16       Sec. 668. (1) In coordination with the Michigan alliance of  
17 boys and girls clubs, the department shall expend \$250,000.00 to  
18 make allocations for a statewide collaborative project to develop a  
19 community-based program available to children ages 6 to 15.

20       (2) The department shall make allocations of TANF funds under  
21 this section only to agencies that report necessary data to the  
22 department for the purpose of meeting the TANF eligibility  
23 reporting requirements. The use of TANF funds under this section  
24 should not be considered an ongoing commitment.

25       (3) The department shall grant priority in funding to programs  
26 that provide at least 10% in matching funds. The matching funds  
27 requirement shall be fulfilled through any combination of local,

1 state, or federal funds or in-kind or other donations. A program  
2 that cannot meet the matching requirement shall not be excluded  
3 from applying for a contract.

4 Sec. 669. (1) The department shall distribute cash and food  
5 assistance to recipients electronically by using debit cards.

6 (2) The department shall allocate up to \$7,167,500.00 for the  
7 annual clothing allowance. The allowance shall be granted to all  
8 eligible children as defined by the department.

9 Sec. 670. The funds appropriated in part 1 for kinship care in  
10 the fiscal year ending September 30, 2007 reflect the legislature's  
11 commitment to reduce the benefit discrepancy between kinship care  
12 and a similar family size within the family independence agency  
13 program (FIP). The legislature recognizes the commitment of  
14 relatives to provide family continuity, nurturance, and care for  
15 this special population of children who can no longer remain in  
16 their parents' care due to abuse, neglect, or other social  
17 problems.

18 Sec. 673. The department shall immediately send notification  
19 to a client participating in the state child day care program and  
20 his or her child day care provider if the client's eligibility is  
21 reduced or eliminated.

22 Sec. 674. The department shall develop and implement a plan to  
23 reduce waste, fraud, and abuse within the child day care program,  
24 including feasibility for expanding wage match and employer  
25 verification, unannounced home call verification at day care sites,  
26 compliance with recommendations of the auditor general in the May  
27 2005 performance audit of the child day care and child welfare

1 licensing divisions, and other process changes. The department  
2 shall report by December 15 of each year to the senate and house  
3 appropriations subcommittees for the department budget, the senate  
4 and house fiscal agencies and policy offices, and the state budget  
5 director on plan details and implementation status.

6 Sec. 675. The department shall continue to explore policy  
7 options and the potential costs of implementing a child day care  
8 rate structure that more accurately reflects the market costs of  
9 care by vicinity.

10 Sec. 676. (1) The department shall collaborate with the state  
11 board of education to extend the duration of the Michigan after-  
12 school partnership and oversee its efforts to implement the policy  
13 recommendations and strategic next steps identified in the Michigan  
14 after-school initiative's report of December 15, 2003.

15 (2) From the funds appropriated in part 1, \$25,000.00 may be  
16 used to support the Michigan after-school partnership and shall be  
17 used to leverage other private and public funding to engage the  
18 public and private sectors in building and sustaining high-quality  
19 out-of-school-time programs and resources. The co-chairs shall name  
20 a fiduciary agent and may authorize the fiduciary to expend funds  
21 and hire people to accomplish the work of the Michigan after-school  
22 partnership.

23 (3) Each year, on or before December 31, the Michigan after-  
24 school partnership shall report its progress in reaching the  
25 recommendations set forth in the Michigan after-school initiative's  
26 report to the senate and house committees on appropriations, the  
27 senate and house fiscal agencies and policy offices, and the state

1 budget director.

2       Sec. 677. The department shall establish a state goal for the  
3 percentage of family independence program (FIP) cases involved in  
4 employment activities. The percentage established shall not be less  
5 than 50%. On a quarterly basis, the department shall report to the  
6 senate and house appropriations subcommittees on the department  
7 budget, the senate and house fiscal agencies and policy offices,  
8 and the state budget director on the current percentage of FIP  
9 cases involved in employment activities. If the FIP case percentage  
10 is below the goal for more than 2 consecutive quarters, the  
11 department shall develop a plan to increase the percentage of FIP  
12 cases involved in employment-related activities. The department  
13 shall deliver the plan during the next annual budget presentation  
14 to the senate and house appropriations subcommittees on the  
15 department budget.

16       Sec. 678. (1) The department shall provide the house and  
17 senate appropriations subcommittees on the department budget with  
18 an annual report on the activities of the early childhood  
19 investment corporation (ECIC). The report is due by February 1 of  
20 each year and shall contain at least the following information:

21       (a) Expenditures for the prior fiscal year and planned  
22 expenditures for the current fiscal year for ECIC administration  
23 and for each program administered by the ECIC.

24       (b) The projected funding sources for the ECIC expenditures in  
25 subdivision (a).

26       (c) A list of all new and ongoing contracts for ECIC programs.

27       (2) All contracts shall be bid out through a statewide

1 request-for-proposal process, and the department shall send a  
2 report to the house and senate appropriations subcommittees on the  
3 department budget covering the selection criteria for establishing

8 the social welfare act, 1939 PA 280, MCL 400.117e, or if a county  
9 operates those detention services programs primarily with

9 Internet to discuss measures relating to the prevention and  
10 intervention of at-risk youth.

15 residential programs.

16 (5) The department shall require, if possible and practical,  
17 that aftercare services for a juvenile offender be provided by the  
18 same organization or provider that provided residential care for  
19 that juvenile.

20 Sec. 721. (1) The goal of medium or low security juvenile  
21 services shall be effective treatment of juvenile offenders to  
22 safely prepare them for entry into society.

23 (2) The department shall allocate money to public and private

20 (c) Availability of appropriate services to offenders.

21 Sec. 723. A provider of juvenile services may receive funding  
22 for services of different security levels if the provider has  
23 appropriate services for each security level and adequate measures  
24 to separate residents of each security level.

25 **LOCAL OFFICE SERVICES**

26 Sec. 750. The department shall maintain out-stationed

1 eligibility specialists in community-based organizations and  
2 hospitals in the same locations as in fiscal year 2003-2004 in  
3 cases where the hospital or organization is willing to continue to  
4 provide the required matching funds.

5 Sec. 751. (1) From the funds appropriated in part 1, the  
6 department shall implement school-based family resource centers  
7 based on the following guidelines:

8 (a) The center is supported by the local school district.

9 (b) The programs and information provided at the center do not  
10 conflict with sections 1169, 1507, and 1507b of the revised school  
11 code, 1976 PA 451, MCL 380.1169, 380.1507, and 380.1507b.

12 (c) Notwithstanding subdivision (b), the center shall provide  
13 information regarding crisis pregnancy centers or adoption service  
14 providers in the area.

15 (2) The department shall notify the senate and house  
16 subcommittees on the department budget, the senate and house fiscal  
17 agencies and policy offices, and the state budget office of family  
18 resource center expansion efforts and shall provide all of the  
19 following at the beginning of the selection process or no later  
20 than 5 days after eligible schools receive opportunity  
21 notification:

22 (a) A list of eligible schools.

23 (b) The selection criteria to be used.

24 (c) The projected number to be opened.

25 (d) The financial implications for expansion, including  
26 funding sources.

27 Sec. 753. The department shall implement the recommendations

1 of the 2004 public private partnership initiative's training  
2 committee to define, design, and implement a train-the-trainer  
3 program to certify private agency staff to deliver child welfare  
4 staff training, explore the use of e-learning technologies, and  
5 include consumers in the design and implementation of training. The  
6 intent of the legislature is to reduce training and travel costs  
7 for both the department and the private agencies. The department  
8 shall report no later than December 1, 2006 on each specific policy  
9 change made to implement enacted legislation and the plans to  
10 implement the recommendations, including time lines, to the senate  
11 and house appropriations subcommittees on the department budget,

19 expanded "Express JET" program would provide each county at least 1  
20 specialized staff member assigned to monitor both cases that are  
21 referred to the work first program and cases that are referred back  
22 to the department from work first due to compliance issues. These  
23 specialized staff would ensure that all client work activities are  
24 recognized and counted as well as prompt action on cases moving  
25 between the department and work first, including the application of  
26 sanctions where necessary. The goal of the program is to maximize  
27 client engagement in work participation activities that are

1 countable toward federal requirements. The 80 new positions are in  
2 addition to the 22 positions already included in the fiscal year  
3 2005-2006 budget for the existing pilot program.

4 **DISABILITY DETERMINATION SERVICES**

5 Sec. 801. The department disability determination services in  
6 agreement with the department of management and budget office of  
7 retirement systems will develop the medical information and make  
8 recommendations for medical disability retirement for state  
9 employees, state police, judges, and school teachers.

10 **CHILD SUPPORT ENFORCEMENT**

11 Sec. 901. (1) The appropriations in part 1 assume a total  
12 federal child support incentive payment of \$26,500,000.00.

13 (2) From the federal money received for child support  
14 incentive payments, \$12,000,000.00 shall be retained by the state  
15 and expended for child support program expenses.

16 (3) From the federal money received for child support  
17 incentive payments, \$14,500,000.00 shall be paid to the counties  
18 based on each county's performance level for each of the federal  
19 performance measures as established in the code of federal  
20 regulations, CFR 45.305.2.

21 (4) If the child support incentive payment to the state from  
22 the federal government is greater than \$26,500,000.00, then 100% of  
23 the excess shall be retained by the state and is appropriated until  
24 the total retained by the state reaches \$15,397,400.00.

25 (5) If the child support incentive payment to the state from

1 the federal government is greater than the amount needed to satisfy  
2 the provisions identified in subsections (1), (2), (3), and (4),  
3 the additional funds shall be subject to appropriation by the  
4 legislature.

5 (6) If the child support incentive payment to the state from  
6 the federal government is less than \$26,500,000.00, then the state  
7 and county share shall each be reduced by 50% of the shortfall.

8 Sec. 902. (1) The department shall continue its work to fix  
9 and improve the child support computer system using the funding  
10 carried forward from fiscal year 2005-2006 appropriations.

11 (2) The department shall consult with the department of  
12 treasury and any outside consultant with collections expertise  
13 under contract with the department of treasury to develop a plan to  
14 maximize the collection of child support and child support  
15 arrearage settlement for the purposes of this section.

16 (3) The department, through the child support leadership  
17 group, shall provide quarterly reports to the legislature  
18 concerning money expended and improvements made as a result of this  
19 section.

20 Sec. 903. The department may facilitate with the department of  
21 community health a program under which the departments  
22 independently or jointly contract with local friend of the court  
23 offices to update and maintain the child support statewide database  
24 with health insurance information in cases in which the court has  
25 ordered a party to the case to maintain health insurance coverage  
26 for the minor child or children involved in the case and to assist  
27 in the recovery of money paid by the state for health care costs

1 that are otherwise recoverable from a party to the case. The  
2 program shall be in addition to a program or programs under  
3 existing contract between either or both of the departments with a  
4 private entity on September 1, 2005. The program shall be entirely  
5 funded with state and federal funds from money first recovered or  
6 through costs that are avoided by charging the insurance coverage  
7 for minor children from state programs to private insurance.

8 Sec. 904. The department is prohibited from charging back to  
9 the counties any of the fees paid that are charged by the internal  
10 revenue service or the department of treasury related to the tax  
11 intercept and offset programs. The state share of those fees shall  
12 be paid from money otherwise provided for office of child support  
13 programs.

14 Sec. 905. Of the funds appropriated in part 1 for child  
15 support collections, \$1,000,000.00 shall be allocated to counties  
16 for the local match for friend of the court services legal support  
17 contracts and to payments to county prosecutors for related legal  
18 services.

19 Sec. 906. From the funds appropriated in part 1 for legal  
20 support contracts, \$3,000,000.00 shall be allocated and paid  
21 pursuant to section 18a of the social welfare act, 1939 PA 280, MCL  
22 400.18a.

23 Sec. 907. The office of child support shall establish a pilot  
24 program to examine the effectiveness of contracting with a public  
25 or private collection agency as authorized under section 10 of the  
26 office of child support act, 1971 PA 174, MCL 400.240. The pilot  
27 program shall be implemented during fiscal year 2006-2007.

3 and regulation of child care organizations as defined in 1973 PA  
4 116, MCL 722.111 to 722.128, and adult foster care facilities as  
5 defined in the adult foster care facility licensing act, 1979 PA  
6 218, MCL 400.701 to 400.737. Fees collected by the department shall  
7 be used exclusively for the purpose of licensing and regulating  
8 child care organizations and adult foster care facilities.

9           Sec. 1002. The department shall furnish the clerk of the  
10 house, the secretary of the senate, the senate and house fiscal  
11 agencies and policy offices, the state budget office, and all  
12 members of the house and senate appropriations committees with a  
13 summary of any evaluation reports and subsequent approvals or  
14 disapprovals of juvenile residential facilities operated by the  
15 department, as required by section 6 of 1973 PA 116, MCL 722.116.  
16 If no evaluations are conducted during the fiscal year, the  
17 department shall notify the fiscal agencies and all members of the  
18 appropriate subcommittees of the house and senate appropriations  
19 committees.

20           Sec. 1003. If federal funds become available to support a lead  
21 testing program, the department shall, before issuing a license for  
22 a day care facility and as part of licensing review and facility  
23 inspection, require documentation verifying that the facility has  
24 been inspected for lead hazards and that any lead hazards  
25 identified have been remediated.

26           Sec. 1005. The department shall develop a plan for a

1 performance-based licensing system. The plan shall include an  
 2 approach that emphasizes site visits for new licensees and  
 3 licensees with violations or filed complaints and random, but not  
 4 required, site visits for licensees who have been in business for 5  
 5 years or more with no violations or filed complaints. The plan  
 6 shall direct the licensing staff and field consultants to  
 7 prioritize resources and site reviews on new licensees and those

 12 agencies and policy offices, and the state budget director.

1 (i) If the individual is able to participate in outside work,  
2 he or she shall be referred back to a Michigan works! agency for  
3 work activities, including job search and placement, vocational  
4 education, literacy training, GED completion, and other similar  
5 programs.

6 (ii) If the individual is able to participate in work but needs  
7 a supported work environment, he or she shall continue employment  
8 activities at a community-based organization with demonstrated  
9 ability of providing vocational rehabilitation and evaluation  
10 services for persons with disabilities.

11 (iii) If the individual is eligible for SSI or disability, he or  
12 she shall be referred to the department of human services that will  
13 refer the recipient to the legal services association of Michigan  
14 for the SSA advocacy program. The department of human services  
15 shall contract with the legal services association of Michigan at a  
16 rate not to exceed \$350.00 for each referral and \$300.00 for each  
17 successful applicant.

18 (4) Work first program participants shall include recipients  
19 of the department of human services program established under

3 relating to special or emergency needs.

4 (7) Work first program participants shall be given an  
5 explanation of the program including their benefits and  
6 responsibilities during development of the personal work plan and  
7 personal responsibility plan as developed respectively by a  
8 Michigan works! agency and the department of human services. This  
9 explanation shall include clear guidelines with regard to an  
10 individual's eligibility for postemployment training support and  
11 for applying hours in training toward work requirements. The  
12 department, the department of human services, and the Michigan  
13 works! agencies shall develop and implement a shared assessment  
14 process and evaluation tool to identify barriers that may prevent  
15 the participant from obtaining employment in an occupationally  
16 relevant and demand-driven occupation and assistance that may be  
17 needed to remove the barriers, including transportation, education,  
18 and job training.

19 (8) The department shall make every effort to place a minimum  
20 of 50% of clients who participate in the work first program in  
21 positions that provide wages of \$8.00 per hour or more.

1 provide the information described in this subsection for each  
2 Michigan works! agency grant or contract awarded during the  
3 immediately preceding 2 quarters of the state fiscal year. The  
4 report due by November 15 shall provide the information described  
5 in this subsection for each grant or contract awarded during the  
6 immediately preceding full fiscal year. The reports shall contain  
7 all of the following:

8 (a) The amount and recipient of each grant or contract.

13 participation requirements. These guidelines will be presented by  
14 the department of human services and the department contracted  
15 staff in accordance with department policy issuances and department  
16 of human services program bulletins. These guidelines presented by  
17 the department and the department of human services shall balance  
18 the ability of participants to obtain training and subsequent long-  
19 term high-wage employment with the need to connect participants  
20 with the workplace. Any and all training or education and community  
21 service, with the exception of high school completion, English as a  
22 second language, fast-track literacy, and GED preparation, must be  
23 occupationally relevant and in demand in the labor market as  
24 determined by the workforce development board. Participants must

3 may meet the work participation requirement by participating in  
4 comprehensive basic skills education for the minimum time  
5 determined by the assessment and evaluation provided in subsection  
6 (7). A combination of basic skills training, occupational training,  
7 and community service up to the maximum determined by the  
8 assessment and evaluation provided in subsection (7) may be used to  
9 satisfy the work participation requirements. Training or education  
10 may last up to 12 months, and the calculated hours may include  
11 actual classroom seat time up to 15 hours per week plus up to 1  
12 hour of study time for each hour of classroom seat time. Community  
13 service shall be used only for cases where federal work  
14 participation requirements cannot be met without this activity.  
15 Work first participants may enroll in additional hours of classroom  
16 seat time beyond 15 hours. However, these hours and the related  
17 study time will not count toward the work participation  
18 requirement. Assistance may be provided for up to 2 years or 24  
19 months.

20 (12) Work first participants may meet the work participation  
21 requirement through enrollment in a short-term vocational program  
22 requiring 20 hours of classroom seat time per week for a period not  
23 to exceed 6 months, or by enrollment in full-time internships,  
24 practicums, or clinicals required by an academic or training  
25 institution for licensure, professional certification, or degree  
26 completion, without an additional work requirement. In cases where  
27 a short-term vocational program lasts less than 6 months, the

1 participant shall be eligible to enroll in 1 additional short-term  
2 vocational program for a combined period not to exceed a total of  
3 12 months.

6 language, fast-track literacy, or classes to obtain a GED may count  
7 up to 10 hours of classroom seat time, combined with a minimum  
8 number of hours of work per week, to meet their work participation  
9 requirement. There shall be no time limit on high school  
10 completion. GED preparation shall be limited to 12 months.

11 (14) Work first participants who are assessed at a reading or  
12 math skill level of below ninth grade on a standardized assessment  
13 will participate in an appropriate high school completion, English  
14 as a second language, fast-track literacy, or GED completion  
15 program to address these deficiencies as determined to be  
16 appropriate by the assessment and evaluation provided in subsection  
17 (7) and as the Michigan works! agency identifies local resources to  
18 provide the services. The department will work with the department  
19 of human services to develop appropriate programs and incentives to  
20 increase participation in and successful completion of these  
21 programs.

22 (15) As used in this section, "work first program" means the  
23 jobs, education, and training program.

24 Sec. 406. (1) Using all relevant state data sources, the

16 jobs, or if participants have had more than 1 job, the length of  
17 time employed at each job.

18 (k) The number and percentage continuing to receive any type  
19 of public assistance.

20 (l) If the former recipient has children, whether the children  
21 are enrolled in and attending school.

22 (m) The extent to which the former participant feels that they  
23 and their family are better off now than when they were on cash  
24 assistance with regard to household income, housing, food and  
25 nutritional needs, child health care, and access to health  
26 insurance coverage.

21 in the form of a grant to the Grand Rapids area precollege  
22 engineering program.

23 (2) The department shall submit a report to the subcommittees  
24 and the fiscal agencies by February 1 regarding dropout rates,  
25 grade point averages, enrollment in science, engineering, and math-  
26 based curricula, and employment in science, engineering, and math-  
27 based fields for students within the programs. The report shall

1 continue to evaluate the effectiveness of the precollege programs  
2 in engineering and sciences funded through part 1 appropriations  
3 and shall make recommendations on whether state support to expand  
4 such programs to other areas of the state is warranted in future  
5 fiscal years.

6 Sec. 410. (1) The department shall have at least 1 disabled  
7 veterans outreach program specialist or local veterans employment

25 (5) The department shall require each Michigan works! service  
26 center to provide free mediated services to employers wishing to

21 each university that receives funding for the future faculty  
22 program within the King-Chavez-Parks initiative on employment  
23 outcomes for program participants. The report shall be distributed  
24 to the house and senate appropriations committees, the fiscal  
25 agencies, and the state budget office by February 1 of each year.  
26 The report shall include data from each participating university  
27 covering the most recently completed fiscal year. The data shall

12                                   PROVISIONS CONCERNING APPROPRIATIONS

13      GENERAL SECTIONS

14           Sec. 201. Pursuant to section 30 of article IX of the state  
 15      constitution of 1963, total state spending from state resources  
 16      under part 1 for fiscal year 2006-2007 is \$32,014,200.00 and state  
 17      spending from state resources to be paid to local units of  
 18      government for fiscal year 2006-2007 is \$9,798,000.00 from the  
 19      entire appropriation for economic development job training grants.

20           Sec. 202. The appropriations made and expenditures authorized  
 21      under this article and the departments, commissions, boards,  
 22      offices, and programs for which appropriations are made under this  
 23      article are subject to the management and budget act, 1984 PA 431,  
 24      MCL 18.1101 to 18.1594.

25           Sec. 204. The department of civil service shall bill

1 departments and agencies at the end of the first fiscal quarter for  
2 the 1% charge authorized by section 5 of article XI of the state  
3 constitution of 1963. Payments shall be made for the total amount  
4 of the billing by the end of the second fiscal quarter.

5       Sec. 205. (1) A hiring freeze is imposed on the state  
6 classified civil service. State departments and agencies are  
7 prohibited from hiring any new full-time state classified civil  
8 service employees and prohibited from filling any vacant state  
9 classified civil service positions. This hiring freeze does not  
10 apply to internal transfers of classified employees from 1 position  
11 to another within a department or state classified civil service  
12 positions funded fully by federal funds.

13       (2) The state budget director may grant exceptions to this  
14 hiring freeze when the state budget director believes that the  
15 hiring freeze will result in rendering a state department or agency  
16 unable to deliver basic services, cause a loss of revenue to the  
17 state, result in the inability of the state to receive federal  
18 funds, or would necessitate additional expenditures that exceed any  
19 savings from maintaining a vacancy. The state budget director shall  
20 report quarterly to the chairpersons of the senate and house of  
21 representatives standing committees on appropriations the number of  
22 exceptions to the hiring freeze approved during the previous month  
23 and the reasons to justify the exception.

24       Sec. 207. At least 60 days before beginning any effort to  
25 privatize, the fund shall submit a complete project plan to the  
26 subcommittees and the fiscal agencies. The plan shall include the  
27 criteria under which the privatization initiative will be

1 evaluated. The evaluation shall be completed and submitted to the  
2 fiscal agencies and to the subcommittees within 30 months.

3 Sec. 208. Unless otherwise specified, the fund shall use the  
4 Internet to fulfill the reporting requirements of this article.  
5 This requirement may include transmission of reports via electronic  
6 mail to the recipients identified for each reporting requirement or  
7 it may include placement of reports on the Internet or Intranet  
8 site.

9 Sec. 209. Funds appropriated in part 1 shall not be used for  
10 the purchase of foreign goods or services, or both, if  
11 competitively priced and of comparable quality American goods or  
12 services, or both, are available. Preference should be given to  
13 goods or services, or both, manufactured or provided by Michigan  
14 businesses if they are competitively priced and of comparable  
15 quality.

16 Sec. 210. The chair of the fund shall take all reasonable  
17 steps to ensure businesses in deprived and depressed communities  
18 compete for and perform contracts to provide services or supplies,  
19 or both. The chair of the fund shall strongly encourage firms with  
20 which the fund contracts to subcontract with certified businesses  
21 in depressed and deprived communities for services, supplies, or  
22 both.

23 Sec. 212. The fund shall receive and retain copies of all  
24 reports funded from appropriations in part 1. The fund shall follow  
25 federal and state guidelines for short-term and long-term retention  
26 of these reports and records.

27 Sec. 213. From the funds appropriated in part 1 for

1 information technology, the departments and agencies shall pay user  
2 fees to the department of information technology for technology-  
3 related services and projects. Such user fees shall be subject to  
4 provisions of an interagency agreement between the fund and the  
5 department of information technology.

6 Sec. 214. Amounts appropriated in part 1 for information  
7 technology may be designated as work projects and carried forward  
8 to support technology projects under the direction of the  
9 department of information technology. Funds designated in this  
10 manner are not available for expenditure until approved as work  
11 projects under section 451a of the management and budget act, 1984  
12 PA 431, MCL 18.1451a.

13 Sec. 216. It is the intent of the legislature that all revenue  
14 sources for funds appropriated in part 1 shall not be aggregated  
15 into general categories and shall be specifically identified and  
16 detailed as much as possible.

17 Sec. 217. (1) Due to the current budgetary problems in this  
18 state, out-of-state travel for the fiscal year ending September 30,  
19 2007 shall be limited to situations in which 1 or more of the  
20 following conditions apply:

7 funds.

8 (2) If out-of-state travel is necessary but does not meet 1 or  
9 more of the conditions in subsection (1), the state budget director  
10 may grant an exception to allow the travel. Any exceptions granted  
11 by the state budget director shall be reported on a monthly basis  
12 to the house and senate appropriations committees.

13 (3) Not later than January 1 of each year, each department  
14 shall prepare a travel report listing all travel by classified and  
15 unclassified employees outside this state in the immediately  
16 preceding fiscal year that was funded in whole or in part with  
17 funds appropriated in the department's budget. The report shall be  
18 submitted to the chairs and members of the house and senate  
19 appropriations committees, the fiscal agencies, and the state  
20 budget director. The report shall include the following  
21 information:

9 redevelopment and encourage private investment in core communities.

10 (2) Awards may be provided to qualified local governmental

8 thereon, originally distributed as part of the core communities  
9 fund, shall be received, held, and applied by the fund for the  
10 purposes described in this part.

11 (11) The fund shall provide an annual report on the status of  
12 this fund. The report shall be provided to the subcommittees, the

16 MEDC be subject to the advice and consent of the senate.

17 Sec. 1016. The Michigan economic development corporation shall  
18 work with the office of the auditor general to implement procedures  
19 to annually audit the number of jobs claimed to be created by firms

9 Sec. 1019. (1) As a condition of receiving the funds  
10 appropriated in part 1, the Michigan strategic fund shall ensure  
11 that the Michigan economic development corporation and the Michigan  
12 strategic fund promulgate or create no guidelines, rules,  
13 standards, protocols, or other similar mandates that would prevent  
14 a firm, which otherwise qualifies for Michigan economic growth  
15 authority tax credits, from receiving such credits because the new  
16 employees who fill qualified new jobs as defined in the Michigan  
17 economic growth authority act of 1995, 1995 PA 24, MCL 207.801 to

 8 spending from state resources to be paid to local units of  
 9 government for fiscal year 2006-2007 is \$120,000.00. The itemized

 19 subject to the management and budget act, 1984 PA 431, MCL 18.1101  
 20 to 18.1594.

14 constitution of 1963. Payments shall be made for the total amount  
15 of the billing by the end of the second fiscal quarter.

16 Sec. 205. (1) Beginning October 1, a hiring freeze is imposed  
17 on the state classified civil service. State departments and  
18 agencies are prohibited from hiring any new full-time state  
19 classified civil service employees and prohibited from filling any  
20 vacant state classified civil service positions. This hiring freeze  
21 does not apply to internal transfers of classified employees from 1  
22 position to another within a department.

23 (2) The state budget director shall grant exceptions to this  
24 hiring freeze when the state budget director believes that the  
25 hiring freeze will result in rendering a state department or agency  
26 unable to deliver basic services, cause loss of revenue to the  
27 state, result in the inability of the state to receive federal

1 funds, or necessitate additional expenditures that exceed any  
2 savings from maintaining a vacancy. The state budget director shall  
3 report by the last business day of each month to the chairpersons  
4 of the senate and house of representatives standing committees on  
5 appropriations the number of exceptions to the hiring freeze  
6 approved during the previous month and the justification for the

17       Sec. 208. Unless otherwise specified, the department shall use  
18 the Internet to fulfill the reporting requirements of this article.  
19 This requirement may include transmission of reports via electronic  
20 mail to the recipients identified for each reporting requirement or

22 site.

23       Sec. 209. Funds appropriated in part 1 shall not be used for  
24 the purchase of foreign goods or services, or both, if  
25 competitively priced and of comparable quality American goods or

2 quality.

3 Sec. 210. The director of each department receiving

7 director shall strongly encourage firms with which the department  
8 contracts to subcontract with certified businesses in depressed and

18 instruction that is included in an associate, undergraduate, or  
19 postgraduate degree program offered by a college or university of  
20 this state.

21 (6) The education assistance program applies to an eligible  
22 person notwithstanding any other educational incentive or benefit  
23 received by the eligible person under any other educational  
24 assistance program provided by any other state.

25 (7) An eligible person who successfully completes the course

25 information technology, departments and agencies shall pay user

25 of the billing by the end of the second fiscal quarter.

26 Sec. 205. (1) Beginning October 1, a hiring freeze is imposed

4 does not apply to internal transfers of classified employees from 1  
5 position to another within a department.

6 (2) The state budget director shall grant exceptions to this  
7 hiring freeze when the state budget director believes that the  
8 hiring freeze will result in rendering a state department or agency  
9 unable to deliver basic services, cause loss of revenue to the  
10 state, result in the inability of the state to receive federal  
11 funds, or necessitate additional expenditures that exceed any  
12 savings from maintaining a vacancy. The state budget director shall  
13 report by the last business day of each month to the chairpersons  
14 of the senate and house of representatives standing committees on  
15 appropriations the number of exceptions to the hiring freeze

22 shall include the criteria under which the privatization initiative

26 agencies within 30 months.

27 Sec. 208. Unless otherwise specified, the department shall use

1 the Internet to fulfill the reporting requirements of this article.  
2 This requirement may include transmission of reports via electronic  
3 mail to the recipients identified for each reporting requirement or  
4 it may include placement of reports on an Internet or Intranet  
5 site.

6 Sec. 209. Funds appropriated in part 1 shall not be used for  
7 the purchase of foreign goods or services, or both, if  
8 competitively priced and of comparable quality American goods or  
9 services, or both, are available. Preference should be given to  
10 goods or services, or both, manufactured or provided by Michigan  
11 businesses, if they are competitively priced and of comparable  
12 quality.

13 Sec. 210. The director of each department receiving  
14 appropriations in part 1 shall take all reasonable steps to ensure  
15 businesses in deprived and depressed communities compete for and  
16 perform contracts to provide services or supplies, or both, for the  
17 department. The director shall strongly encourage firms with which  
18 the department contracts to subcontract with certified businesses  
19 in depressed and deprived communities for services or supplies, or  
20 both.

21 Sec. 211. It is the intent of the legislature that personnel  
22 of the department who request and are eligible for reimbursement of  
23 expenses related to the operation of the department be reimbursed  
24 from the appropriations provided in this article within 30 days  
25 after submitting a request, or the eligible personnel shall be paid  
26 an additional amount equal to 0.75% of the payment due. The  
27 department shall pay an additional amount equal to 0.75% of the

1 payment due for the first month and each succeeding month or  
2 portion of a month the payment remains past due.

3 Sec. 213. (1) It is the intent of the legislature that the  
4 department shall not provide any subsidy for contractual services  
5 it provides.

6 (2) When the department provides contractual services to a  
7 local unit of government, the department shall be reimbursed for  
8 all costs incurred in providing the services, including, but not  
9 limited to, retirement and overtime costs.

10 (3) Contractual services provided to an entity other than a  
11 local unit of government may be provided by department personnel,  
12 but only on an overtime basis outside the normal work schedule of  
13 the personnel.

14 (4) This section does not apply to state agencies.

4 aggregate number of FTEs.

5 (e) The number of enlisted and civilian positions.

6 (f) The duties and responsibilities of the assigned employees.

7 (g) The immediate past position of the enlisted employees  
8 assigned.

9 Sec. 216. The department shall collect and computerize the  
10 vehicle identification number (VIN) of all vehicles that are  
11 entered into the state accident data collection system and make  
12 this and other vehicle information available to the public at cost.  
13 For bulk access to the accident records in which the VIN has been  
14 collected and computerized, the department shall make those records  
15 available to the public at cost, provided that the name and address  
16 have been excluded.

17 Sec. 217. From the funds appropriated in part 1, the  
18 department shall maintain a toll-free hotline in collaboration with  
19 the department of education. The toll-free hotline shall be  
20 operated 24 hours per day, 7 days per week, and shall provide  
21 students, school officials, and other individuals an opportunity to  
22 report specific threats of imminent school violence or other  
23 suspicious or criminal conduct by juveniles to the appropriate  
24 local law enforcement entities for investigation. The department  
25 may expend funds for the promotion of the hotline.

26 Sec. 218. (1) Funds appropriated in part 1 for at-post  
27 troopers shall only be expended for trooper salaries, wages,

1 benefits, retirement, equipment, supplies, and other expenses  
2 directly related to state troopers assigned to general law  
3 enforcement duties at a department post, detachment, satellite  
4 office, or a resident trooper function.

5 (2) From the funds appropriated in part 1 for at-post  
6 troopers, 1 or more trooper recruit schools of a size, length, and  
7 date to be determined by the department or the legislature shall be  
8 conducted during fiscal year 2006-2007 with the goal of maintaining  
9 at-post trooper strength of at least 1,075 on September 30, 2007.

10 (3) The department shall submit quarterly written reports to  
11 the senate and house appropriations subcommittees on state police  
12 and military and veterans affairs no later than December 1, 2006,  
13 March 1, 2007, June 1, 2007, and September 1, 2007 which shall  
14 include a trooper strength report and the status of the  
15 department's plan for accomplishing the goal of subsection (2). If  
16 the department determines that insufficient appropriations exist  
17 under part 1 to accomplish the goal of subsection (2), the  
18 department shall submit a proposal outlining a plan to accomplish  
19 the goal including an accounting of any additional funding  
20 necessary to that end.

21 Sec. 219. The department of state police shall notify the  
22 house and senate appropriations subcommittees on state police and

4   either without local law enforcement resources or are seriously  
5   underserved by local law enforcement resources, shall provide  
6   general law enforcement assistance to those communities until  
7   adequate law enforcement services can be provided to those  
8   communities by other means.

9       Sec. 221. The department of state police may pursue entering  
10   into an agreement with Calhoun County to build a new facility in  
11   Marshall which would serve as a new state police post to replace  
12   the current state police post in Battle Creek.

13       Sec. 223. (1) Due to the current budgetary problems in this  
14   state, out-of-state travel for the fiscal year ending September 30,  
15   2007 shall be limited to situations in which 1 or more of the  
16   following conditions apply:

17       (a) The travel is required by legal mandate or court order or  
18   for law enforcement purposes.

19       (b) The travel is necessary to protect the health or safety of  
20   Michigan citizens or visitors or to assist other states in similar  
21   circumstances.

22       (c) The travel is necessary to produce budgetary savings or to

3 funds.

4 (2) If out-of-state travel is necessary but does not meet 1 or  
5 more of the conditions in subsection (1), the state budget director  
6 may grant an exception to allow the travel. Any exceptions granted  
7 by the state budget director shall be reported on a monthly basis

11 all revenue made available to the department from the Michigan  
12 justice training fund be used solely for costs directly related to  
13 the delivery of Michigan justice training fund grants, so that in  
14 the future, eligible entities as provided under 1982 PA 302, MCL  
15 18.421 to 18.429, will have a stable and accurate source of  
16 training funds.

#### 17 INFORMATION TECHNOLOGY

18 Sec. 301. The money appropriated in part 1 for computer  
19 services shall be funded by LEIN user fees sufficient to pay 1/3 of  
20 the service and contract maintenance costs of the LEIN system.

21 Sec. 302. From the funds appropriated in part 1 for  
22 information technology, departments and agencies shall pay user  
23 fees to the department of information technology for technology-  
24 related services and projects. These user fees shall be subject to  
25 provisions of an interagency agreement between the department and  
26 the department of information technology.

1       Sec. 303. Amounts appropriated in part 1 for information  
2 technology may be designated as work projects and carried forward  
3 to support technology projects under the direction of the  
4 department of information technology. Funds designated in this  
5 manner are not available for expenditure until approved as work  
6 projects under section 451a of the management and budget act, 1984  
7 PA 431, MCL 18.1451a.

8       Sec. 304. A portion of the funds appropriated in part 1 shall  
9 be used by the department to produce a written report detailing  
10 departmental policies regarding access to and use of information  
11 from the LEIN system. The report shall include a description of  
12 departmental measures to protect the security of information in the  
13 LEIN system including safeguards that would prevent unauthorized  
14 persons from obtaining information from the LEIN system. The  
15 department shall submit a copy of this report to the senate and  
16 house appropriations committees not later than April 1, 2007.

17       Sec. 305. The criminal justice information systems policy  
18 council shall encourage members of the law enforcement agencies in  
19 the state to be sensitive to, and note when necessary, activities  
20 or circumstances that may suggest the unauthorized access or misuse  
21 of information from the LEIN system. The criminal justice  
22 information systems policy council shall advise LEIN auditors, as a  
23 part of their audit of law enforcement agencies, to investigate in  
24 depth all suspected incidents of improper access or improper use of  
25 information from the LEIN system and determine whether or not those  
26 incidents were illegal. In those incidents that may be determined  
27 to be illegal, the executive secretary for the council shall

1 determine whether those incidents were of a negligent or criminal  
2 nature. If an incident is determined to be an illegal act, the  
3 council shall inform the chairs of both the senate and house  
4 appropriations committees.

5       Sec. 306. (1) The department of state police, working with the  
6 criminal justice information systems policy council, shall  
7 implement procedures by which all probation information is placed  
8 on the LEIN system. The LEIN system shall include information on  
9 each probationer, including any probation conditions placed on a  
10 probationer and the name of the probation officer assigned to a  
11 probationer. The LEIN system shall also include any nonstandard  
12 probation terms.

13       (2) If the department determines that amendments to the code  
14 of criminal procedure, 1927 PA 175, MCL 760.1 to 777.69, are  
15 required to include all probation information on the LEIN system,  
16 the department shall deliver to members of the senate and house  
17 appropriations subcommittees on state police and military affairs  
18 amendments to the code of criminal procedure, 1927 PA 175, MCL

20 accomplish this goal. These proposed amendments shall be delivered  
21 to subcommittee members not later than December 1, 2006.

22       Sec. 307. The department of state police shall serve as an  
23 active liaison between the department of information technology and  
24 local public safety agencies to facilitate the use of the Michigan  
25 public safety communications system towers by those local public  
26 safety agencies that have an interest in using the towers as a part  
27 of their own communications system. The department of state police

1 shall deliver a written report to the senate and house  
2 appropriations subcommittees on state police and military and  
3 veterans affairs by April 1, 2007, which shall include an  
4 assessment of the progress toward establishing local public safety  
5 agency use of the Michigan public safety communications system  
6 towers, an accounting of problems that may be preventing local use  
7 of the towers, and any recommendations the department has that may  
8 foster this utilization.

#### 9 **HIGHWAY SAFETY PLANNING**

10 Sec. 401. On a quarterly basis, the department shall report to  
11 the senate and house appropriations subcommittees on state police  
12 and military affairs on the status of assessments collected and  
13 authorized under section 629e of the Michigan vehicle code, 1949 PA  
14 300, MCL 257.629e, for the purposes of supporting the secondary  
15 road patrol grant program. Each quarterly report shall contain  
16 updated information on collection levels, revised projected grant  
17 allotments to counties for the year, a comparison of projected  
18 collections and grant distribution levels with the funds  
19 appropriated in part 1 for the secondary road patrol program, and  
20 the extent collection levels have exceeded or failed to meet  
21 appropriated levels for the current fiscal year or expenditure  
22 levels from the previous fiscal year.

#### 23 **FORENSIC SCIENCES**

24 Sec. 501. (1) The department shall distribute a copy of the

#### 12 MICHIGAN COMMISSION ON LAW ENFORCEMENT STANDARDS

13 Sec. 601. The money appropriated to the MCOLES for maintenance

15 state reimbursement policy in which 100% of the determined state  
16 reimbursement rate shall be distributed upon certification by the  
17 MCOLES.

18 Sec. 602. From the appropriations in part 1 for the training  
19 of new state troopers and other new police officers in the state  
20 and for the continuing education of all law enforcement officers in  
21 the state, sufficient funds shall be used to include curricula on  
22 the content and application of federal firearms laws, including the  
23 procedures necessary for law enforcement to turn appropriate cases  
24 over to the federal bureau of alcohol, tobacco, and firearms or any  
25 other applicable federal criminal justice agency.

1     **EMERGENCY MANAGEMENT**

2           Sec. 801. (1) The state director of emergency management may  
3     expend money appropriated under this article to call upon any

5     protect life or property or to provide for the health or safety of  
6     the population in any area of the state in which the governor  
7     proclaims a state of emergency or state of disaster under 1945 PA  
8     302, MCL 10.31 to 10.33, or under the emergency management act,  
9     1976 PA 390, MCL 30.401 to 30.421. The state director of emergency  
10    management may expend the amounts the director considers necessary  
11    to accomplish these purposes. The director shall submit to the  
12    state budget director as soon as possible a complete report of all  
13    actions taken under the authority of this section. The report shall  
14    contain, as a separate item, a statement of all money expended that  
15    is not reimbursable from federal money. The state budget director  
16    shall review the expenditures and submit recommendations to the  
17    legislature in regard to any possible need for a supplemental  
18    appropriation.

19           (2) In addition to the money appropriated in this article, the  
20    department may receive and expend money from local, private,  
21    federal, or state sources for the purpose of providing emergency  
22    management training to local or private interests and for the  
23    purpose of supporting emergency preparedness, response, recovery,  
24    and mitigation activity. If additional expenditure authorization in  
25    the Michigan administrative information network is approved by the  
26    state budget office under this section, the department and the  
27    state budget office shall notify the house and senate

1 appropriations subcommittees on state police and military and  
2 veterans affairs and the house and senate fiscal agencies within 10  
3 days after the approval. The notification shall include the amount  
4 and source of the additional authorization, the date of its  
5 approval, and the projected use of funds to be expended under the  
6 authorization.

7       Sec. 802. The department shall not make any purchases related  
8 to a statewide emergency management computer network unless  
9 authorized to do so by the director of the department of  
10 information technology.

11       Sec. 803. The department's emergency management division shall  
12 make every effort to ensure both of the following:

15 first responder entities in the highest percentage possible.

16       (b) That homeland security grants awarded to the city of  
17 Detroit shall not be used to supplant city general funds designated  
18 to support first responder operations.

In addition to the appropriations in part 1 to the department of state police for the aviation program, the department is authorized to sell its aircraft and the proceeds from the sale are appropriated and may be applied to the renovation cost of replacement aircraft, cost of enhancing and maintaining existing aircraft, pilot training cost, and reimbursement for use of other state agency aircraft. If additional expenditure authorization in the Michigan administrative information network is approved by the state budget office under this section, the department and the state budget office shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 10 days after the approval. The notification shall include the amount and source of the additional authorization, the date of its approval, and the projected use of funds to be expended under the authorization.

Sec. 1002. Money privately donated to the department is appropriated under part 1 to be used for the purposes designated by the donor of the money. Money privately donated to the department's canine unit shall be used to purchase equipment and other items to enhance the operation of the canine unit. **SPECIAL INVESTIGATIONS**

Sec. 1101. (1) There is sufficient money appropriated in part

1 to special investigations to ensure that the citizens in a service area of any state police post in the vicinity of a state prison do not experience a downgrading of state police services in their area. Special investigations shall be available by temporary or permanent assignment of a detective when either a temporary or permanent prison facility is opened.

(2) If the department is unable to comply with subsection (1) and there is a prison scheduled to open, the department shall provide troopers to serve as investigators on an interim basis.

11       Sec. 202. The appropriations authorized under this article are  
12 subject to the management and budget act, 1984 PA 431, MCL 18.1101  
13 to 18.1594.

5 constitution of 1963. Payments shall be made for the total amount  
6 of the billing by the end of the second fiscal quarter.

7 Sec. 205. (1) A hiring freeze is imposed on the state  
8 classified civil service. State departments and agencies are  
9 prohibited from hiring any new state classified civil service  
10 employees and prohibited from filling any vacant state classified  
11 civil service positions. This hiring freeze does not apply to  
12 internal transfers of classified employees from 1 position to  
13 another within a department.

14 (2) The state budget director may grant exceptions to this  
15 hiring freeze when the state budget director believes that the  
16 hiring freeze will result in rendering a state department or agency  
17 unable to deliver basic services, causes loss of revenue to the  
18 state, would result in the inability of the state to receive  
19 federal funds, or would necessitate additional expenditures that  
20 exceed any savings from maintaining a vacancy. The state budget  
21 director shall report by the thirtieth of each month to the  
22 chairpersons of the senate and house of representatives standing  
23 committees on appropriations the number of exceptions to the hiring

25 justify the exception.

26 Sec. 207. At least 90 days before beginning any effort to  
27 privatize, the department shall submit a complete project plan to

1 the appropriate senate and house of representatives appropriations  
2 subcommittees and the senate and house fiscal agencies. The plan  
3 shall include the criteria under which the privatization initiative  
4 will be evaluated. The evaluation shall be completed and submitted  
5 to the appropriate senate and house of representatives  
6 appropriations subcommittees and the senate and house fiscal  
7 agencies within 6 months. As used in this section, "privatize" or  
8 "privatization" means the transfer of state highway maintenance  
9 functions or activities currently performed by department forces,  
10 or by boards of county road commissioners, county boards of  
11 commissioners, or local units of government under contract with the  
12 department, to private contractors.

14 the Internet to fulfill the reporting requirements of this article.  
15 This requirement may include transmission of reports via electronic  
16 mail to the recipients identified for each reporting requirement or  
17 it may include placement of reports on an Internet or Intranet  
18 site.

19       Sec. 209. Funds appropriated in part 1 shall not be used for  
20 the purchase of foreign goods or services, or both, if  
21 competitively priced and of comparable quality American goods or  
22 services, or both, are available. Preference should be given to  
23 goods or services, or both, manufactured or provided by Michigan  
24 businesses if they are competitively priced and of comparable  
25 quality.

26       Sec. 210. The director of each department receiving  
27 appropriations in part 1 may take all reasonable steps to ensure

1 businesses in deprived and depressed communities compete for and  
2 perform contracts to provide services or supplies, or both. The  
3 director shall encourage firms with which the department contracts  
4 to subcontract with certified businesses in deprived and depressed  
5 communities for services, supplies, or both.

7 appropriations under this article shall receive and retain copies  
8 of all reports funded from appropriations in part 1. These  
9 departments and state agencies shall follow federal and state  
10 guidelines for short-term and long-term retention of these reports  
11 and records.

12 Sec. 258. Amounts appropriated in part 1 for information  
13 technology may be designated as work projects and carried forward  
14 to support technology projects under the direction of the  
15 department of information technology. Funds designated in this  
16 manner are not available for expenditure until approved as work  
17 projects under section 451a of the management and budget act, 1984  
18 PA 431, MCL 18.1451a.

19 Sec. 259. From the funds appropriated in part 1 for  
20 information technology, the department shall pay user fees to the

15 (f) The travel is financed entirely by federal or nonstate  
16 funds.

17 (2) If out-of-state travel is necessary but does not meet 1 or  
18 more of the conditions in subsection (1), the state budget director  
19 may grant an exception to allow the travel. Any exceptions granted  
20 by the state budget director shall be reported on a monthly basis  
21 to the house and senate appropriations committees.

22 (3) Not later than January 1 of each year, each department  
23 shall prepare a travel report listing all travel by classified and  
24 unclassified employees outside this state in the immediately  
25 preceding fiscal year that was funded in whole or in part with  
26 funds appropriated in the department's budget. The report shall be  
27 submitted to the chairs and members of the house and senate

1 appropriations committees, the fiscal agencies, and the state  
2 budget director. The report shall include the following

20 disciplinary action against an employee for communicating with a  
21 member of the legislature or their staff.

## 22 **DEPARTMENTAL SECTIONS**

24 collect fees sufficient to cover the costs to issue the permits  
25 that the department is authorized by law to issue upon request, and  
26 for fees associated with freedom of information requests. Unless

1 otherwise authorized by statute, all fee revenue shall be credited  
2 to the state trunkline fund to recover the direct and indirect  
3 costs of receiving, reviewing, and processing the requests.

4 (2) A bridge authority shall hold 3 public hearings on an  
5 increase in any toll charged by the authority at least 30 days  
6 before the toll change will become effective. Two of the hearings
